[Street Closings]

AUTHORIZING TEMPORARY CLOSING OF PORTIONS OF MARKET, WASHINGTON AND STEUART STREETS FOR YOUTH EXPO '89.

WHEREAS, The Interdepartmental Staff Committee on Traffic and Transportation (ISCOTT) conducted a public hearing on July 13, 1989, on the application of the San Francisco Fair for the temporary closing of portions of Polk, Larkin and Fulton Streets, from Friday, October 6, 1989 through Monday, October 9, 1989 for Youth Expo '89 and denied said application on that date; and

WHEREAS, More than two other major events have already been scheduled during the time Youth Expo '89 is scheduled to occur; and

WHEREAS, Section 2.70-2 of the Administrative Code provides that it shall be the policy of the City to approve temporary street closings for no more than two major events in any one twenty-four hour period due to the possibility of overextending City resources required to service major events; and

WHEREAS, On July 28, 1989, the San Francisco Fair appealed the decision of ISCOTT to the Board of Supervisors; and

WHEREAS, The San Francisco Fair wishes to change the location of Youth Expo '89; and

WHEREAS, Pursuant to the provisions of Section 2.701(b) of the Administrative Code, this Board of Supervisors conducted a hearing on this appeal on August 14, 1989; and

WHEREAS, The Board of Supervisors requested that the Office of the Mayor assist in reaching a mutual compromise satisfactory to all affected Departments; now, therefore, be it

RESOLVED, That the Board of Supervisors hereby grants permission to close to vehicular traffic the streets under its jurisdiction for Youth Expo '89; provided, however, that intersections remain open:

Market Street, between Spear and Steuart Streets, from 6:00 p.m., Thursday, October 5, through 6:00 a.m., Tuesday, October 10, 1989;

Washington Street, between Drumm Street and The Embarcadero, (including a triangular section which connects at the Embarcadero in a southerly direction), from 6:00 p.m., Thursday, October 5, through 6:00 a.m., Tuesday, October 10, 1989;

Parking lane along the southbound direction of The Embarcadero, between Washington and Market Streets, from 6:00 p.m., Thursday, October 5, through 6:00 a.m., Tuesday, October 10, 1989 (subject to applicant obtaining final approval from the Port Commission);

Steuart Street, between Market Street and the Muni turnaround before Mission Street (including the area immediately south of Justin Herman Plaza), from 6:00 p.m., Thursday, October 5, through 6:00 a.m., Tuesday, October 10, 1989;

and, be it

FURTHER RESOLVED, That the Board of Supervisors finds that the granting of this permit shall not overextend City's resources required to service the other major events scheduled for the same days; and, be it

FURTHER RESOLVED, That at all times during the period authorized for the temporary closing and occupancy of said streets, such permission is granted subject to those conditions contained in Article VIII of the San Francisco Administrative Code, pertaining to the Temporary Use or Occupancy of Public Streets; and, be it

FURTHER RESOLVED, That the Board of Supervisors does not intend by this legislation, nor does it have the authority, to authorize the closing of streets and other thoroughfares not within the jurisdiction of this Board to control or restrict.

4 REGULATION PROHIBITING SELLING WITHIN TWELVE FEET FROM THE OUTER EDGE OF
5 ANY ENTRANCE TO ANY BUILDING; DESIGNATING TERMINATION DATE FOR SPACES.

6
7 WHEREAS, The Street Artist Ordinance adopted by the voters on
8 November 4, 1975, authorizes the Board of Supervisors, by resolution, to
9 designate sales areas where any street artist or craftsman previously
10 certified may sell art or craft items; and

11 WHEREAS, The Board of Supervisors, by Resolution No. 572-77 (July 18,
12 1977) designated ten (10) selling spaces on Leavenworth Street, west side,
13 Beach to Jefferson Streets, for street artists; and

14 WHEREAS, The placement of a doorway in the Cannery building adjacent
15 to the first two of the above-described ten spaces now renders these first
16 two spaces in violation of Police Code Section 2405 (c) (6) which prohibits
17 street artists from selling, offering for sale or soliciting offers to
18 purchase on any sidewalk within twelve (12) feet from the outer edge of

MAKING A FINDING THAT THE SCHEDULE OF RATES AND CHARGES FOR COMMON USE FACILITIES ESTABLISHED BY THE AIRPORTS COMMISSION EFFECTIVE JULY 1, 1989 WILL BE SUFFICIENT TO PAY FOR MAINTENANCE AND OPERATION EXPENSES OF THE AIRPORT AND WILL NOT REQUIRE ANY TAX SUBSIDY.

WHEREAS, the Airports Commission of the City and County of San Francisco has heretofore on July 18, 1989, by its Resolution No. 89-0137, approved a Schedule of Rates and Charges for Common Use Facilities at the San Francisco International Airport to be effective July 1, 1989; and

WHEREAS, in accordance with Section 2.25, San Francisco Administrative Code, said Airports Commission has submitted to the Board, in support of said amendment of Schedule, all of the data upon which said rates and charges are based and a report of the anticipated effect of said amendment upon the budget of the Airports Commission for the current (1989-90) fiscal year; now, therefore, be it

RESOLVED, that this Board of Supervisors, pursuant to the provisions of Sections 2.25 and 2.28, San Francisco Administrative Code, and prior to voting upon the approval or disapproval of the amendment of the Schedule of Rates and Charges proposed by said Airports Commission, upon the data hereinabove referred to, hereby finds:

That the revenue from rates and charges of the San Francisco International Airport and the sum of \$7,500,000 in Airport previously accumulated surplus as approved by the Airports Commission Resolution No. 89-0137 will be sufficient to pay for the current fiscal year, all expenses of every kind and nature incident to the operation and maintenance of the San Francisco International Airport, together with the interest and sinking fund charges for any bonds issued for the acquisition, construction or extension of the San Francisco International Airport.

APPROVING CHANGES TO THE SCHEDULE OF RATES AND CHARGES FOR COMMON USE FACILITIES AT SAN FRANCISCO INTERNATIONAL AIRPORT AS ESTABLISHED BY AIRPORTS COMMISSION

WHEREAS, the Airports Commission by Resolution No. 89-0137 adopted July 18, 1989, established a new schedule of airline landing fees and terminal rentals, effective July 1, 1989 as follows:

Landing Fee Schedule as of July 1, 1989

A rate of Fifty-seven Point Three Cents (57.3¢) per thousand pounds of approved maximum landing weight for each revenue landing of a carrier operating under an agreement for landing at the Airport, unless a minimum landing fee shall apply;

A minimum landing fee of Twenty Dollars (\$20.00) for all revenue landings by fixed-wing aircraft with a maximum landing weight of less than 34,904 pounds operated by a carrier operating under an agreement for landing at the Airport;

A minimum landing fee of Nine Dollars (\$9.00) for all revenue landings by rotary-wing aircraft with a maximum landing weight less than 12,876 pounds operated by a carrier operating under an agreement for landing at the Airport;

Terminal Space Rental Schedule as of July 1, 1989

An average base rate of \$26.49 per square foot and a negative surcharge rate of \$4.27 per square foot with the resultant rate for each category of space as follows:

Rate Structure	Relative Value	Base Rate Per Sq. Ft.	Surcharge Rate Per Sq. Ft.	Total Rate Per Sq. Ft.
Category I	1.00	\$43.23	\$(4.27)	\$38.96
Category II	0.75	32.42	(4.27)	28.15
Category III	0.50	21.62	(4.27)	17.35
Category IV	0.25	10.81	(4.27)	6.54
Category V	0.10	4.32	(4.27)	0.05

A secondary rental surcharge for carriers using the Federal Inspection Service Area, to total \$62,052, representing the annual Airport debt service on the shared International Terminal baggage facility, and to be charged to each airline on the basis of the number of each airline's passengers using the facility. This secondary surcharge shall be applied thru Fiscal Year 2012-13. And

WHEREAS, the Airports Commission by Resolution No. 89-0137 adopted July 18, 1989, also established a supplement to the schedule of airline landing fees effective November 1, 1989 as follows:

Supplemental Landing Fee Schedule as of November 1, 1989

A rate of Sixty nine Point Nine Cents (69.9¢) per thousand pounds of approved maximum landing weight (1) for each revenue landing by a commercial carrier which does not have an operating agreement at SFTA, and (2) for each landing of general aviation fixed-wing aircraft, and (3) for each landing of general aviation rotary-wing aircraft, unless a minimum landing fee shall apply;

A minimum landing fee of Twenty Dollars (\$20.00) for all revenue landings by fixed-wing aircraft with a maximum landing weight less than 28,612 pounds operated by a carrier which does not have an operating agreement for landing at the Airport;

A minimum landing fee of Nine Dollars (\$9.00) for all revenue landings by rotary-wing aircraft with a maximum landing weight less than 12,876 pounds operated by a carrier which does not have an operating agreement for landing at the Airport;

A minimum landing fee of Twenty Dollars (\$20.00) for all general aviation fixed-wing aircraft with a maximum landing weight less than 28,612 pounds; Now, therefore, be it

 9 purposes to be funded in part from funds made available through Chapter
 10 1093, 1982 statutes, the Juvenile Justice and Delinquency Prevention Act
 11 of 1974, as amended, Public Law 98-473, and/or Justice Assistance Act of
 12 1984 (JAA) for the California Gang Violence Suppression (GVS) Program,
 13 administered by the Office of Criminal Justice Planning; and be it

14 FURTHER RESOLVED, that State funds received hereunder shall not
 15 be used to supplant local funds that would, in the absence of the Gang Violence
 16 Suppression Program, be made available to support the prosecution of felony
 17 cases; and be it

18 FURTHER RESOLVED, that the District Attorney of the City and County
 19 of San Francisco, is authorized to submit the attached Grant Award Application
 20 to the California Office of Criminal Justice Planning and is authorized to
 21 execute on behalf of the City and County of San Francisco the attached Grant
 22 Award for Gang Violence Prosecution purposes; and be it

23 FURTHER RESOLVED, that the applicant agrees to provide matching
 24 funds in the amount of \$25,000 required for said project under the Crime
 25 Control Act and the rules and regulations of OCJP and that funds will be
 26 appropriated as required thereby; and be it

27 FURTHER RESOLVED, that indirect costs to the City and County for
 28 the operation of this grant have been included in the grant budget; and be it

///

///

1 FURTHER RESOLVED, that any liability arising out of the performance
 2 of this Grant Award contract, including civil court actions for damages,
 3 shall be the responsibility of the grantee and the authorizing agency. The
 4 State of California and OCJP disclaim responsibility for any such liability;
 5 and be it

6 FURTHER RESOLVED, that the District Attorney of the City and County
 7 of San Francisco is authorized to apply for, accept and expend funds in the
 8 amount of \$75,000 made available through the Office of Criminal Justice
 9 Planning for a project entitled "GANG VIOLENCE SUPPRESSION PROGRAM" for the
 10 twelve month period July 1, 1989 through June 30, 1990.

[Telecommunications Policy]

AMENDING RESOLUTION 274-88, BY AMENDING THE MATCH REQUIREMENTS OF A NOT-FOR-PROFIT CORPORATION TO RECEIVE PAYMENTS FROM THE CITY TO PERFORM PUBLIC ACCESS FUNCTIONS DURING FISCAL YEAR 1989-90.

WHEREAS, The Board of Supervisors established a Citizens Telecommunications Policy Committee at the time the cable television franchise was revised in 1980; and

WHEREAS, The Board of Supervisors adopted Resolution No. 274-88 which included a provision that the public access functions of the Citizens Telecommunications Policy Committee no longer shall be performed by the City, but instead performed by a not-for-profit corporation and funded through a contract with the Board of Supervisors; and

WHEREAS, Ordinance No. 105-64, relating to the Cable Television Franchise, is amended to revise the matching requirement for a not-for-profit corporation to receive funds from the franchise fee during fiscal year 1989-90; now, therefore, be it

RESOLVED, That Resolution No. 274-88 is hereby amended to conform with the amendment to Ordinance No. 105-64, by adding an additional Further Resolved Clause following the fourth Further Resolved Clause to read as follows:

"FURTHER RESOLVED, That the provision of the immediately preceding further resolved clause not withstanding, the public access functions shall be funded during fiscal year 1989-90 through a contract between the Board of Supervisors and the San Francisco Community Television Corporation, with the not-for-profit corporation to receive the lessor of:

(a) one-third of the 0.2% portion of the franchise fee,

/ /

(b) four times the cash which the not-for-profit corporation receives from non-city sources,

(c) three times the total of the cash and non-cash contributions which the not-for-profit corporation receives from non-city sources; and be it".

[OFFICE OF FAMILY PLANNING]
URGING THE COUNTY SUPERVISORS ASSOCIATION OF CALIFORNIA TO WORK FOR
THE FULL RESTORATION OF CALIFORNIA'S FAMILY PLANNING PROGRAMS WITH
NO CONDITIONS AND TO OPPOSE ANY CHANGES IN THE DISTRIBUTION OF FUNDS
TO COMMUNITY-BASED AGENCIES OR THE ELIMINATION OF TRAINING PROGRAMS
AND RESOURCE CLEARINGHOUSE

WHEREAS, The State Office of Family Planning administers a
family planning program that provides reproductive health services
and screening to nearly one-half million low-income individuals,
including 34,000 San Franciscans; and

WHEREAS, Governor Deukmejian has sought over the years to
eliminate the Office of Family Planning and now has moved to render
the agency meaningless by slashing its funding two-thirds; and

WHEREAS, If permitted to stand, the Deukmejian cuts will
translate into \$1 million less in funds for San Francisco-based
family planning agencies, including San Francisco General Hospital,
producing 2,961 additional unintended pregnancies, of which 48
percent will end in abortion, and 1,184 women will be forced to bear
unwanted children; and

WHEREAS, Among those who will suffer most under this policy of
intentional neglect are teenagers, a vulnerable population that
comprises 30 percent of those receiving family planning services
funded by the State; and

WHEREAS, The Deukmejian cuts will take its toll on the lives of
poor minority women, particularly Latinas for whom abortion is not
usually an option and whose cervical cancer rate is twice that of
Caucasian women, and African American women who suffer from a
cervical cancer rate 50 percent higher than any other group; and

WHEREAS, The University of California at San Francisco has
determined that for every one dollar expenditure in public funds the
State of California saves as much as \$11 in other areas, including
child care, abortion services, health services, and welfare
subsidies; and

WHEREAS, The County Supervisors Association of California (CSAC)
has made as its priority the restoration of funds to the Office of
Family Planning and is earnestly working with the Governor and
Assembly to continue state-funded family planning services; and

WHEREAS, The Governor has offered several proposals to spare the
Office of Family Planning from elimination, including changing the
allocation of funds through block grants to counties, prohibiting
the disbursement of funds to agencies that offer abortion-related
services, such as San Francisco General Hospital, and eliminating
critical training programs and a resource clearinghouse; now be it

RESOLVED, This Board of Supervisors has determined that full
restoration of state family planning programs with no conditions is
a top legislative priority for the City and County of San Francisco
and urges the County Supervisors Association of California to
continue to advocate for these essential services and programs as a
chief legislative goal of its own; and, be it

FURTHER RESOLVED, As part of its legislative advocacy, CSAC is
urged to:

- (1) Oppose any restrictions on the
distribution of funds to family planning
agencies performing abortion-related
services; and
- (2) Press for full restoration of funds
retroactive to August 15, 1989; and
- (3) Oppose any distribution scheme, including
block grants to counties, that departs from
the present funding system and which fails to
provide funds to administer programs; and
- (4) Support the maintenance of training programs
for health care specialists and the resource
clearinghouse; now be it

FURTHER RESOLVED, That a copy of this resolution be transmitted
herewith to CSAC and the Legislative Agent for the City and County
of San Francisco.

3 BILL 424, THEREBY INCREASING THE SAFETY OF CALIFORNIA'S CITIZENS IN
4 EARTHQUAKES.

5 WHEREAS, unreinforced masonry buildings constitute the
6 greatest threat to life in a California earthquake; and

7 WHEREAS, California state law requires local governments to
8 institute programs to reduce this hazard; and

9 WHEREAS, the City and County of San Francisco contains over
10 two thousand of these buildings, representing a serious danger to
11 the safety of residents of the City and County; and

12 WHEREAS, structural failure of these buildings would cause
13 disproportionate injuries and fatalities among the most
14 disadvantaged residents of the city; and

15 WHEREAS, it is difficult for owners of such buildings to
16 obtain financing for the purpose of strengthening them to resist

MEMORIALIZING THE CONGRESS AND THE PRESIDENT OF THE UNITED STATES TO INCREASE FUNDING FOR THE HEAD START CENTERS

WHEREAS, Head Start Centers serve children of the City and County of San Francisco; and

WHEREAS, Due to an unanticipated budget shortfall, nine of San Francisco's Head Start Centers, serving over 300 children might not be able to open on schedule this Fall; and

WHEREAS, The endangered centers include the much heralded center at Plaza East; and

WHEREAS, Such potential closure of centers providing services for needy children for several critical weeks this Fall, when most children are going back to school, is not beneficial to the children; now, therefore, be it

RESOLVED, That it is the policy of the City and County of San Francisco to support increased federal funding for the head start centers to allow them to open on time for the Fall; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to the Mayor, with the request that additional copies be sent to our representatives in the Fifth and Sixth Congressional Districts, our United States Senators, the President of the United States and the San Francisco Legislative Representative in Washington, D.C., with the direction to take all actions necessary and appropriate to carry out the intent of this resolution as speedily as possible.

[Implementation of 1982 Consent Decree]

RESOLUTION FINDING THAT AN EMERGENCY EXISTS IN PROVIDING MEDICAL AND MENTAL HEALTH TREATMENT AND HOUSING SPACE, FIRE AND LIFE SAFETY, AND SANITATION CAPITAL IMPROVEMENTS IN THE COUNTY JAIL SYSTEM, PURSUANT TO THE FEDERAL COURT CONSENT DECREE; URGING THE CHIEF ADMINISTRATIVE OFFICER TO REQUEST THE DIRECTOR OF PUBLIC WORKS TO PROCEED IN A MOST EXPEDITIOUS MANNER, IN CONCERT WITH THE MAYOR'S OFFICE, THE SHERIFF AND THE DEPARTMENT OF PUBLIC HEALTH TO OBTAIN THE SERVICES OF AN ARCHITECTURAL FIRM TO PROVIDE ALL NECESSARY PLANNING AND DESIGN SERVICES FOR PROPOSITION 52 RELATED PROJECTS.

WHEREAS, The Federal Court has ordered the City and County to maintain the inmate population at Jail No. 1 within rated capacity; and

WHEREAS, during the past year the jail population in the City and County reached record levels; and

WHEREAS, The Mayor's Criminal Justice Council has recommended a capital improvement project for expanding the work furlough program to help assure compliance with the Federal Court Consent Decree; and

WHEREAS, The Federal Court has ordered the City and County to demonstrate that policy and funding approval has been obtained for medical and mental health, fire and life safety, and sanitation capital outlay projects; and

WHEREAS, These projects are essential for the health and safety of the prisoners confined in the City and County's jail system; and

WHEREAS, The City and County is eligible to receive state bond monies under Proposition 52 for jail construction and renovation; and

9/5/89
Date No 1

56269

WHEREAS, It is the intention of the City and County to allocate available state bond funding for the above mentioned capital projects; and

WHEREAS, In order to be eligible to receive Proposition 52 funding the City and County must have all project plans approved by the Board of Corrections and the State Fire Marshall, and be under contract by September 30, 1990; and

WHEREAS, The time required for the usual selection process of architectural consultants would not enable the City and County to qualify these projects for Proposition 52 funding; and

WHEREAS, the loss of these funds would remove the short-term feasibility of these projects and therefore present a hazard to the health and safety of the prisoners confined in the City and County's jail system; now, therefore be it

RESOLVED, That this Board of Supervisors finds that an actual emergency exists in timely providing funding for court ordered mental and medical health, fire and life safety, and sanitation capital improvements to the City and County jail system and in providing timely funding for an expanded work furlough program to help assure compliance with court ordered limits on the jail population; and be it

FURTHER RESOLVED, That this Board of Supervisors urges the Mayor, the Chief Administrative Officer, the Director of Public Works, the Director of Public Health and the Sheriff to proceed with all steps necessary to obtain architectural planning and design services, and meet all other necessary requirements in order to qualify for Proposition 52 state bond funding for those projects approved by the Board of Supervisors on Monday, September 11, 1989 in connection with said funding.

[Housing Now Campaign]

ENDORING THE HOUSING NOW CAMPAIGN, ENDORSING THE 2 CENTS FOR HOUSING CAMPAIGN, AND URGING THE MAYOR TO DECLARE OCTOBER 7, 1989, TO BE HOUSING NOW DAY.

WHEREAS, A recent report on the housing needs of poor people reveals that 45 percent of all poverty level renters -- more than 3 million households -- pay more than 70 percent of their income for rent; and

WHEREAS, 5 million renters and 4.5 million owners, mostly low and moderate income households, live in substandard homes; and

WHEREAS, Current federal housing assistance programs reach fewer than one-third of all poverty level renters and less than one-quarter of all those eligible for HUD housing assistance; and

WHEREAS, Recent studies estimate that as many as 3 million people are homeless in the U.S. during the year, and as many as 750,000 may be homeless on any given night, and that families with children are the fastest growing element of the homeless population, now making up a majority of all those in shelters in large cities, according to a 1988 HUD survey; and

WHEREAS, Federal funding for housing assistance programs serving low income people have been deeply cut in the last decade, with total budget authority commitments reduced from \$31 billion in Fiscal Year 1981 to less than \$8 billion in Fiscal Year 1989, and the number of households receiving assistance each year has plummeted from an average of 316,000 per year between 1977-1980 to an average of only 82,000 per year from 1981-1988, and waiting lists for all forms of assistance -- public housing, Section 8 housing, or below market rate mortgages -- have reached record levels, with eligible persons forced to wait years before they can receive any

assistance at all; and

WHEREAS, The National Low Income Housing Preservation

Commission found in 1988 that as many as 500,000 affordable homes could be converted or closed down in the next 10 years without immediate, aggressive federal action, and HUD's own studies show backlogged modernization needs in the nation's public housing totaling \$20 billion; and

WHEREAS, Federal spending for low income housing assistance amounts to only a little more than 1 penny of every federal outlay dollar; and

WHEREAS, National, state and local organizations throughout the country have joined together to sponsor a major peaceful demonstration on October 7, 1989 to demand an end to the low income housing crisis; and

WHEREAS, The National Low Income Housing Coalition has called for the federal government to realize the goal adopted in 1949 for a "decent home" for all Americans by increasing federal outlays for housing by at least 2 more cents in every budget dollar; and

WHEREAS, The Board of Supervisors of the City and County of San Francisco finds that the nation faces a housing crisis for low and moderate income people, and that this crisis is fueled by the absolute shortage of housing that low and moderate income people can afford, and that recent cutbacks in federal housing assistance programs have aggravated this crisis by denying help to those most in need; and

WHEREAS, This Board of Supervisors further finds that the federal government must fulfill the promise made in 1949 to provide a decent home for all Americans, and that the lack of affordable housing is one of the primary causes of homelessness, and that homelessness is unacceptable; now, therefore, be it

[Arts Organizations Task Force]

AMENDING RESOLUTION NO. 655-88, ESTABLISHING AN ARTS ORGANIZATIONS TASK FORCE AND DEFINING ITS DUTIES AND RESPONSIBILITIES, BY EXTENDING BY ONE YEAR, FROM AUGUST 19, 1989, TO AUGUST 19, 1990, BOTH THE DATE FOR THE AUTOMATIC DISSOLUTION OF THE TASK FORCE, AND THE DATE BY WHICH THE TASK FORCE SHALL PROVIDE A WRITTEN REPORT TO THE BOARD OF SUPERVISORS.

WHEREAS, Resolution No. 655-88, which establishes an Arts Organizations Task Force and defines its duties and responsibilities, was adopted by the Board of Supervisors on August 15, 1988 and approved by the Mayor on August 19, 1988; and WHEREAS, Resolution No. 655-88 requires the Task Force to provide a written report of recommendations to the Board of Supervisors by August 19, 1989; and

WHEREAS, Resolution No. 655-88 further provides that the Task Force shall be dissolved automatically by August 19, 1989; and WHEREAS, The Task Force is currently performing the tasks assigned to it by Resolution No. 655-88, but the Task Force will not be able to complete its assigned duties by August 19, 1989, and the Task Force should be given an additional year to complete the report requested by the Board of Supervisors; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby amends Resolution No. 655-88 by amending the final paragraph of the Resolution to read as follows:

"FURTHER RESOLVED, That the Task Force shall provide a written report of its recommendations to the Board of Supervisors by August 19, 1990, and that this Task Force shall be dissolved automatically on August 19, 1990."

and, be it

FURTHER RESOLVED, That there are no further amendments being made to Resolution No. 655-88 by this Resolution, and that Resolution No. 655-88 shall continue in full force and effect as amended by this Resolution.

2 FOR, ACCEPT AND EXPEND GRANT FUNDS IN THE AMOUNT OF \$105,000 FROM THE OFFICE OF
3 CRIMINAL JUSTICE PLANNING FOR THE GANG VIOLENCE SUPPRESSION PROGRAM AND AGREEING
4 TO PROVIDE CASH MATCH IN THE AMOUNT OF \$35,000.
5
6

7 WHEREAS, Gang violence is a serious problem facing the City and County
8 of San Francisco; and

9 WHEREAS, Additional funds are necessary to identify gangs within the
10 City and arrest gang members involved in violence and drug sales; now therefore,
11 be it

12 RESOLVED, That the Chief of Police of the City and County of San
13 Francisco is authorized to submit to the Office of Criminal Justice Planning, a
14 grant application for funds in the amount of \$105,000 made available through the
15 Juvenile Justice and Delinquency Prevention Act of 1974 and the Justice Assistance
16 Act of 1984 for the Gang Violence Suppression Program administered by the Office
17 of Criminal Justice; and, be it

18 FURTHER RESOLVED, That the City recognizes that it must provide all
19 matching funds required for said project under the Gang Violence Suppression
20 Program and the rules and regulations of the Office of Criminal Justice Planning,
21 and that funds may have to be appropriated as required thereby; and, be it

22 FURTHER RESOLVED, That in the event the Office of Criminal Justice
23 Planning consents to fund the project, the Chief of Police is authorized to
24 execute said project, that would not increase the matching fund obligations of
25 the City and County of San Francisco pursuant to the grant; and, be it

26 FURTHER RESOLVED, That the grant funds received hereunder shall not be
27 used to supplant expenditures controlled by this body; and, be it

28 FURTHER RESOLVED, That it is recognized that the State of California and
29 the Office of Criminal Justice Planning disclaim responsibility for any liability
30 arising out of the performance of the Grant Award Agreement, including civil court
31 actions for damages, and that any such liability shall be the responsibility of
32 the Police Department of the City and County of San Francisco, and, be it

1 FURTHER RESOLVED, That the Chief of Police of the City and County of San

(Redevelopment Agency Bonds)

APPROVING THE ISSUANCE BY THE REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO OF REFUNDING RESIDENTIAL MORTGAGE REVENUE BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$40,000,000

WHEREAS, by the enactment of the Redevelopment Construction Loans Act (the "Act") (Chapter 9 of Part 1, commencing with Section 33750 of Division 24 of the Health and Safety Code of the State of California), the legislature of the State has authorized redevelopment agencies to make long-term, low-interest loans to finance residential construction in redevelopment project areas in order to encourage investment and upgrade such areas, and to issue bonds for the purpose of financing such residential construction; and

WHEREAS, on October 27, 1983, with the approval of the Board of Supervisors of the City and County of San Francisco (the "Board"), the Redevelopment Agency of the City and County of San Francisco (the "Agency") issued its Housing Mortgage Revenue Bonds, 1983 Series A (St. Francis Place) (the "Bonds") the proceeds of which were used to finance the development of 410 residential units, commercial space and parking on Parcel 3750-A at Third and Folsom Streets by St. Francis Place Limited Partnership, a California limited partnership; and

WHEREAS, the Agency now desires to issue its refunding residential mortgage revenue bonds in an aggregate principal amount not to exceed \$40,000,000 in order to refund the Bonds; and

WHEREAS, Section 33640 of the Health and Safety Code requires the Agency to obtain the approval of the Board prior to

Issue of bonds authorized pursuant to the Act, including refunding bonds; and

WHEREAS, Section 103(k) of the Internal Revenue Code requires that such approval of the Board be preceded by a public hearing with fourteen (14) days' prior notice thereof, which notice has been given and which public hearing has been held; now, therefore, be it

RESOLVED, By the Board of Supervisors of the City and County of San Francisco that the Redevelopment Agency of the City and County of San Francisco is hereby given approval to issue its Refunding Residential Mortgage Revenue Bonds in an aggregate principal amount not to exceed \$40,000,000 for purposes of refunding the Bonds previously issued.

[MEETING SCHEDULE]

1 REVISING THE REGULAR MEETING SCHEDULE OF THE BOARD OF
2 SUPERVISORS BY CANCELLING THE MEETINGS OF NOVEMBER 27, 1989 AND
3 DECEMBER 26, 1989.

4
5 WHEREAS, Section 2.200 of the Charter provides that the
6 Board of Supervisors, by resolution, shall establish a schedule
7 of meetings of the Board of Supervisors; and

8 WHEREAS, Resolution 186-87 provides for a schedule of
9 meetings; and

10 WHEREAS, The City and County of San Francisco has revised
11 its schedule of holidays so that for many employees both
12 Thanksgiving and the day after Thanksgiving are holidays; and

13 WHEREAS, The Board of Supervisors has in previous years
14 modified its schedule by not scheduling a meeting between
15 Christmas Day and New Year's Day; and

16 WHEREAS, It is appropriate for the Board of Supervisors to
17 adjust its meeting schedule in recognition of City employees'
18 holidays by cancelling the meetings that would otherwise be
19 held during Thanksgiving week and between Christmas Day and New
20 Year's Day; now, therefore, be it

21 RESOLVED, That the Board of Supervisors revises its
22 schedule of regular meetings so that meetings of the Board of
23 Supervisors shall not be held on November 27, 1989 and December
24 26, 1989.

1 [Application Process For Proposition 52 Funding]

2 URGING THE MAYOR, THE SHERIFF, AND ALL CONCERNED DEPARTMENTS TO
3 WORK TOGETHER TO COMPLETE THE APPLICATION PROCESS FOR PROPOSITION
4 52 FUNDS BY SEPTEMBER 30, 1990.

5 WHEREAS, The County Correctional Facility Expenditure Bond
6 Act of 1986 (Proposition 52), approved by the California voters
7 in June of 1986, has made funds available to California counties
8 for construction, reconstruction, remodeling, replacement and
9 deferred maintenance of local adult correctional facilities; and
10 WHEREAS, Senate Bill 2543, Stats. 1986, c. 1519, §§ 1-12,
11 requires the state to fund up to 75% of the total project costs
12 and requires counties to provide a minimum of 25% of the total
13 project costs; and

14 WHEREAS, Counties intending to participate must be under
15 contract with the Board of Corrections by September 30, 1990 and
16 must begin construction or renovation work by this date; and

17 WHEREAS, The conditions that must be fulfilled before the
18 Board of Corrections will contract with a county for the purpose
19 of providing funds pursuant to Proposition 52 are set forth in
20 Senate Bill 2543, Stats. 1986, c. 1519, sections 5.5, 6, 6.5, and
21 7 and in sections 512, 514, 532, 539, 544 and 548-49 of Title 15
22 of the California Administrative Code; and

23 WHEREAS, The City and County of San Francisco has already
24 complied with several of these conditions, including providing
25 the Board of Corrections with a Formal Project Proposal and a
26 Needs Assessment; and

27 WHEREAS, The City and County of San Francisco has yet to
28 comply with several conditions set forth in the applicable
29 statutes and regulations including submission of architectural
30 plans and a preliminary staffing report; and

1 WHEREAS, Compliance with the remaining steps in the
2 application process will require the cooperation of the Mayor,
3 the Sheriff and other concerned departments; now, therefore, be it

4 RESOLVED, That the Board of Supervisors urges the Mayor,
5 the Sheriff and all concerned departments to work together, with
6 the assistance of the City Attorney, to develop all documents
7 necessary to complete the application of the City and County of
8 San Francisco for Proposition 52 funds such that all conditions
9 prerequisite to execution of a contract with the Board of
10 Corrections for such funds can be completed ~~on a timely basis~~

[Guiding Principles for Long-term Health Care Plan]
APPROVING GUIDING PRINCIPLES FOR DEVELOPMENT OF LONG-TERM PLAN
FOR JAIL MEDICAL AND PSYCHIATRIC SERVICES

WHEREAS, It is the responsibility of the Department of
Public Health to provide health care to county jail prisoners
through the Division of Forensic Services; and

WHEREAS, The Department of Public Health is committed to
providing medical and psychiatric care to individuals in the
criminal justice system comparable to health care generally
available in the community, and, is also committed to regularly
reviewing quality of care at Joint Conference Committees with
periodic reports issued to the Health Commission; and

WHEREAS, The Health Department acknowledges that the
Federal Court Consent Decree and criminal justice agencies have
set forth certain standards for the provision of health services
in the county jail systems, which must be met; and

WHEREAS, The Mayor's Criminal Justice Council (MCJC) has
recommended that Proposition 52 funds be used to fund long-term
psychiatric and medical plans mandated by Federal Consent Decree.
and

WHEREAS, Health care services in the jail are comprehensive
and include prevention and education, routine examinations,
emergency medical, surgical and psychiatric care as well as
hospitalization (at San Francisco General Hospital) when
necessary; and

WHEREAS, There should be continuity in health care for jail
inmates, including coordination with health services prior to
incarceration and discharge planning to assure follow-up care in
the community; and

WHEREAS, The approach to budgeting for jail health services

should be structured similarly to other court-mandated city
services; now, therefore, be it

RESOLVED, That alternatives to incarceration and
diversionary programs should be developed for public inebriates
and for individuals who are charged with minor offenses and whose
primary problems relate to mental illness and/or substance abuse
because such alternatives are desirable from both public health
and humanitarian points of views and are cost-effective as well;
and be it

FURTHER RESOLVED, That in developing alternative
community-based programs overall health care costs and costs in
jail health services will be reduced, while increased funding
will be allocated to Health Department Substance Abuse, Mental
Health and Community Public Health programs; and be it

FURTHER RESOLVED, That inter-departmental/multi-service
diversionary programs, with blended funding from the Department
of Public Health, the Department of Social Services and criminal
justice agencies, shall be explored and developed whenever
feasible -- in coordination with the Mayor's Office - to ensure
the provision of effective diversion programs with a minimum of
duplicative services; and, be it

FURTHER RESOLVED, That for those prisoners who remain in
the county jail system but require the care of Jail Medical and
Jail Psychiatric Services, an infirmary, sheltered care unit,
renovated satellite clinics, and designated general population
beds, to comprise a continuum of care from arrest to release,
shall be developed to consolidate forensic services in the jail
system; and, be it

FURTHER RESOLVED, That the Division of Mental Health,
Substance Abuse and Forensic Services will provide a long-term

AUTHORIZING THE DIRECTOR OF PLANNING TO EXTEND THE GRANT WITH THE STATE OF CALIFORNIA, SECRETARY OF ENVIRONMENTAL AFFAIRS, FROM OCTOBER 31, 1989, TO MARCH 31, 1991, AND TO REQUEST A TRANSFER OF FUNDS WITHIN THE PROGRAM FROM ONE ELEMENT TO ANOTHER.

WHEREAS, The Board of Supervisors authorized the Director of Planning to apply for and accept funds from the State of California, Secretary of Environmental Affairs, for the Coastal County Offshore Energy Assistance Program Block Grant in an amount of up to \$400,000 in Resolution No. 956-86 of November 18, 1986; and

WHEREAS, The Board of Supervisors authorized the Director of Planning to expend funds approved by the State of California, Secretary of Environmental Affairs, in compliance with the requirements and conditions contained in the State grant agreement for the period from June 15, 1987 through April 1, 1989 in Resolution No. 608-87 of July 6, 1987; and

WHEREAS, The Board of Supervisors authorized the Director of Planning to expend funds approved by the State of California, Secretary of Environmental Affairs, in compliance with the requirements and conditions contained in the State grant agreement for the period from April 1, 1989 through October 31, 1989 in Resolution No. 11535 of December 1, 1988; and

WHEREAS, Pursuant to the Coastal County Offshore Energy Assistance Program the City and County of San Francisco has joined together with five other Central California coastal counties to form a Central California Regional Studies Program; and

WHEREAS, The Regional Studies Program has divided its work efforts into seven program elements (identified in Exhibit A, attached) in order to, among other things, generate information and provide input into the Outer Continental Shelf Lease/Sale process, primarily with regard to the proposed Lease/Sale No. 119 off of the California Coast from Sonoma County to Monterey County; and

WHEREAS, Due to delays and continuations by the federal government, the schedule for completion of Lease/Sale No. 119 has been extended beyond the time frame originally anticipated; and

WHEREAS, Additional time is needed by the Regional Studies Program in order for it to continue to participate in the process for Lease/Sale No. 119; and

WHEREAS, The Regional Studies Program expects that the work required under several of the program elements can be completed by March 31, 1990, and that the remaining program elements will be required to continue through March 31, 1991 in order to allow for continued input by the Regional Studies Program and the individual counties into the Lease/Sale No. 119 process; and

WHEREAS, No additional funds will be required by the City and County of San Francisco as existing surplus funds from the program elements which will be completed by March 31, 1990 can be transferred to the remaining program elements in order to fund them through March 31, 1991; and

WHEREAS, The City Planning Commission authorized the Director of Planning to apply for and to accept an extension to the Coastal County Offshore Energy Assistance Program Block Grant to March 31, 1991, in order to allow for the completion of several program elements by March 31, 1990, the transfer of available funds within the program from one element to another, and the extension of the remaining program elements until March 31, 1991, in City Planning Commission Resolution No. 11737 on August 17, 1989, now, therefore, be it

RESOLVED, That the Board of Supervisors does hereby authorize the Director of Planning to apply for and to accept an extension to the Coastal County Offshore Energy Assistance Program Block Grant to March 31, 1991, in order to allow for the completion of several program elements by March 31, 1990, the transfer of available funds within the program from one element to another, and the extension of the remaining program elements until March 31, 1991, all as specified in Exhibit A, attached.

Since the Lease Sale 119 process will continue for a minimum of another one and a half years, it is therefore necessary for the Technical Review Panel to also continue for the duration of the process.

2) **Public Information** - Citizens have the same rights as local government officials to be informed participants in the federal lease sale process. The county's public participation work element responds to the significant public demand for information on the various issues regarding offshore energy development and how to participate in the lease sale process.

The public participation element has presented workshops on the Lease Sale 119 issue and periodic updates and fact sheets to interested persons. In addition, the public participation effort has responded to the substantial amount of media requests for additional information on lease sale issues and procedural questions.

The need for public involvement in the lease process exists through the sale stage. The public participation element is therefore proposed for a one and a half year extension to respond to this demonstrated need.

3) **Regional Analysis/Data Management** - The Regional Coordinator provides overall management of the Regional Studies Program. This includes preparation of consultant RFP's negotiation and administration of contracts and the review and approval of work products. Responsibilities include coordination of the Staff Working Group, consisting of one planner from each of the six participating counties as well as providing staff service to the Board of Control. The Regional Coordinator also supervises the work of the Technical Review Panel and the public participation efforts. In summary, the Data Management/Regional Coordinator position acts as a central clearinghouse for the Central Coast UCS Regional Studies Program.

The Regional Studies Program will require the continuation of the Data Management/Regional Coordinator position to insure the coordinated participation of the six participating counties in the lease sale process. In addition, the Regional Coordinator will assume the public participation responsibilities over the next one and a half year period. The Regional Coordinator will administer each of the consultant contracts to their completion and manage the necessary follow up workshops and distribution of reports. The Regional Coordinator will also incorporate the report findings and conclusions into recommended county comments at various lease sale steps.

For these reasons and those enumerated in the discussion of the previous two work elements, it is necessary to extend the Data Management/Regional Coordination element of the program.

Work Elements Requiring Extensions of Six Months or Less

Four Regional Studies work elements require extensions of six months or less. The status of each work element is discussed below along with the necessary extension time period.

1) **Air Quality Assessment** - Both the Bay Area Air Quality Management District (BAAQMD) and the Monterey Bay Unified Air Pollution Control District (MBUAPCD) have established air quality modeling and monitoring programs.

The BAAQMD's one year monitoring effort has recently been completed. The district however, intends to conduct additional monitoring efforts in the coming months with funding included within their own budget. The BAAQMD has also completed their emission inventories and the meteorological data for use in the modeling efforts. Some preliminary model runs have been completed for the base case days. In the next few months BAAQMD expects to complete the modeling runs and performance evaluation of the model. A final report is expected in the near future.

The Monterey Bay Unified Air Pollution Control District (MBUAPCD) has a longer timetable for completion of their work. To date, the MBUAPCD has completed its emission inventories and forecasts. In the next few months, they intend to purchase computer hardware for in-house modeling efforts. A consultant will install an air quality model into the MBUAPCD computer and will train the MBUAPCD's staff to operate the model on micro-computers. The new model parameters will then be developed, consisting of the updated emissions inventory data and possible new boundary conditions. Once these are installed, multiple test runs will be conducted to insure the accuracy of the model under different parameters. The model will then be run for various development scenarios.

All of these remaining steps in the MBUAPCD modeling effort will require an extension through March 31, 1990 to complete.

2) **Scenario Development** - A draft report has been submitted to the Regional Studies Program which estimates the quantity and location of central coast UCS oil reserves, a low and high case scenario for development and which provides a discussion of impacts and issues associated with UCS development. The draft report includes a set of maps which identify sensitive coastal resources, development scenarios and transportation systems.

A final copy of the report has just been made available in Spring of 1989. The Regional Studies Program will now conduct several public workshops to explain the findings and conclusions. Additional copies of the report will be produced and distributed to the public. The timing of the workshops will depend on the schedule of pre-lease steps in the Lease/Sale 119 process. However, it is expected that this work element can be completed by October 31, 1989, and therefore no extension of this work element is requested.

3) **Oil Spill Contingency Planning** - A contract has been approved to map the marine mammal, seabird and commercial fishery resources of the central California coast. These resource maps will be digitized and entered into a computer data base. Upon completion of this effort, local government staff will be trained in the use of the computer software to allow for modification and updating of the map information. This project is expected to be completed in the summer of 1989.

Status of Work Elements and Reasons for Contract Extension Request

The following information provides a status report on our work elements and the reasons for a contract extension. Briefly, the sum of grant money made available to the City from the State has been used to participate in the Regional Studies Program and to fund San Francisco's share of seven different work elements which are being pursued by the Regional Studies Program. The money is also being used to provide salaries to Department of City Planning staff in order to pursue our local planning studies, as described below.

The Regional Studies Program has been in existence for about two years. Some of the work elements being pursued by the Regional Studies Program are nearing completion. Other work elements need to continue for a longer time period in order to allow for continued participation in the federal government's lease/sale process. The work elements which are nearing completion have a surplus of funds available and that money can be used to fund the continuation of the remaining work elements.

We will first discuss those three elements which require a contract extension of one and a half years, through March 31, 1991. We will then discuss the work elements that require extensions of six months or less, i.e., through no later than March 31, 1990.

Work Elements Requiring an Extension of One and a Half Years

We request an extension through March 31, 1991 for three elements of our Offshore Energy Assistance Grant. The goal of the Central Coast UCS Regional Studies Program is to provide local government and citizen participation throughout the Lease Sale 119 process. Lease Sale 119 is now scheduled to continue another one and one-half years until March 1991. Historically, the sale process has been subject to repeated delays. It's very possible, that Lease Sale 119 may extend well beyond the March 1991 date. We therefore see an extension through March 31, 1991 as a minimal necessity for our county. The three elements discussed below, provide the necessary tools to allow our continued participation throughout the lease sale process.

1) **Technical Review Panel** - This work element provides San Francisco County with a panel of technical experts to assist in the review and comment on Federal UCS studies and documents such as the 5-Year Plan, lease sale environmental impact statements and various FWS environmental studies. This panel also supports the county's participation in the lease sale steps and our comments on the environmental studies program.

Over the next one and a half years, this panel will enable the county to participate and comment at each step of the lease sale process such as the scoping meetings and UCS hearings. The panel will also assist the county in commenting on other offshore energy regulatory activities such as proposed air quality and NPDES policies. In addition, the Technical Review Panel will assist the county in developing policies to resolve UCS conflicts.

Later this summer we will receive a series of reports evaluating existing central coast oceanographic studies, the costs of oil spills to local governments and a local oil spill handbook which summarizes existing state and federal oil spill response plans and procedures.

Future reports, expected in late summer of 1989 will evaluate local oil spill response plans, recommend legislation and procedures for improving oil spill policies, and evaluate and summarize methods for estimating biological resource values and damages to those values from oil spills.

Two series of workshops will be conducted to improve communication among agencies involved in oil spill planning and to involve various agencies in the sensitive resource mapping efforts. The results of the workshops will be incorporated into the final oil spill planning recommendations and the maps which identify priority resources in the event of a spill. These maps and recommendations are expected in the autumn or winter of 1989.

A contract extension is therefore requested for the oil spill work element until December 31, 1989.

4) Socioeconomics - The six counties participating in the Regional Studies Program wish to evaluate the impacts of UCS energy development on their coastal dependent and coastal related industries. A first step in this process is to identify and enter into a data base, those industries which are coastal related and coastal dependent.

A contract has been approved to identify coastal dependent businesses in the six coastal counties and to survey the contributions of these coastal businesses to a selected sample county's economy. This contract will enable the counties to establish a data base on coastal businesses. The contract will also provide an evaluation of various sources socioeconomic data including regional government studies, census data and information from other federal and private sources.

The information and conclusions generated by this contract will be used to determine whether additional socioeconomic studies are necessary. The results of this contract are expected by December of 1989. A contract extension for this work element is requested until December 31, 1989 to provide time for review and acceptance of the report.

Local Planning (Portions of Elements 2, 4, 7 & 9)

Regarding our Local Planning activities, Department of City Planning staff is currently working on a draft local ordinance for inclusion in our Planning Code which will regulate onshore activities associated with offshore oil and gas exploration and development. Staff expects to have this ordinance ready for City Planning Commission and Board of Supervisors action in the autumn or winter of this year. However, staff will continue to participate in the

Regional Studies Program efforts regarding Lease/Sale 119 (including assistance in consultant-prepared documents) and will also be available to provide information to the public regarding Lease/Sale 119 and UCS activity in general. We therefore request an extension of this work element through March 31, 1990.

We have attached budget sheets for each of the work elements that comprise the Regional Studies Program which demonstrate how the requested extensions can be accomplished within the existing budget.

RESOLUTION NO. 731-89

(PARKING OF VEHICLES)

EXTENDING BOUNDARIES OF RESIDENTIAL PERMIT PARKING

AREA "H" IN THE LAKESIDE AREA AND ADDING TO THE LIST OF
STREETS UPON WHICH TIME LIMITATIONS SHALL APPLY.

WHEREAS, This Board of Supervisors by Resolution

No. 794-79 established Residential Permit Parking Area

"H" in the Lakeside Area and by Resolution Nos. 905-81, 978-

81, 923-83, 1047-85, 146-87, 467-88, 686-88, 162-89 and 193-

89 made revisions thereto; and

WHEREAS, Residential Permit Parking Area "H" was
implemented on December 1, 1979; and

WHEREAS, Residents of more than 50 percent of the
dwelling units of the areas defined herein have petitioned
to be included within Residential Permit Parking Area "H";
and

WHEREAS, The public hearings held on June 9 and 30
1989, indicated that the majority of the residents of the
area favored inclusion within the program now, therefore,
be it

RESOLVED, That the boundaries of Residential Permit

1 [RESIDENTIAL PERMIT PARKING PROGRAM TASK FORCE]

2 URGING THE MAYOR TO ESTABLISH A TASK FORCE TO EXAMINE THE
3 DEPARTMENTAL PROCEDURES USED TO PROCESS REQUESTS FOR THE CREATION
4 AND EXTENSION OF RESIDENTIAL PERMIT PARKING PROGRAM AREAS AND TO
5 MAKE RECOMMENDATIONS FOR IMPROVING THOSE PROCEDURES.

6 WHEREAS, The Residential Permit Parking Program has
7 significantly expanded since its inception, with 20 permit parking
8 areas now in existence; and

9 WHEREAS, Under the Residential Permit Parking Ordinance No.
10 312-76, the Department of Public Works is required to process all
11 applications that are submitted with 51% or greater neighborhood
12 approval; and

13 WHEREAS, The rate at which the Department of Public Works
14 receives applications for new and extended permit parking areas has
15 continuously increased since the inception of this program with
16 approximately 20 applications received and processed within the last
17 fiscal year; and

18 WHEREAS, The Police Department has continuously objected to the
19 expansion of the Residential Permit Parking Program because of a
20 lack of adequate resources to enforce this program; and

21 WHEREAS, The Tax Collector's office has difficulty issuing
22 permits for designated permit parking areas in a timely fashion due
23 to a lack of adequate staffing for this function; and

24 WHEREAS, There currently exists a need to evaluate the
25 effectiveness of the entire Permit Parking program from an
26 interdepartmental perspective; now, therefore be it

27 RESOLVED, That the Board of Supervisors does hereby urge the
28 Mayor to establish a Task Force to review the City's ability to
29 process permits for inclusion in the Residential Permit Parking
30

1 Program and to enforce this program on a city-wide basis,
2 and further to make recommendations on procedural improvements to
3 that program; and be it

4 FURTHER RESOLVED, That the membership of the Task Force should
5 include, but not be limited to, the following: one representative
6 from the Mayor's office, one representative from the Department of
7 Public Works, Bureau of Traffic Engineering, one representative from
8 the Tax Collector's office, and one representative from the Police
9 Department; and be it

10 FURTHER RESOLVED, That the Task Force, if established, should
11 issue a report on its findings and recommendations and that hearings
12 before the appropriate committee of the Board of Supervisors should
13 be scheduled on these findings and recommendations no later than
14 three months from the date of passage of this legislation.

1 RESOLUTION CONFIRMING REPORT OF ASSESSMENT OF COSTS SUBMITTED
 2 BY THE DIRECTOR OF PUBLIC WORKS FOR SIDEWALK AND CURB REPAIRS
 3 AT 732 PERALTA STREET ORDERED TO BE PERFORMED BY SAID DIRECTOR
 4 PURSUANT TO SECTIONS 707 AND 707.1 OF THE PUBLIC WORKS CODE,
 5 THE COSTS THEREOF HAVING BEEN PAID FOR OUT OF A REVOLVING FUND.

6
 7 RESOLVED, That after public hearing on September 11, 1989
 8 of any and all objections to the Director of Public Works'
 9 itemized report of Assessment Costs for work done or caused to
 10 be done pursuant to the provisions of Section 707 and 707.1 of
 11 the Public Works Code of the City and County of San Francisco,
 12 the cost thereof having been paid for by the City and County
 13 out of a revolving fund, and after making such modifications,
 14 if any as the Board of Supervisors deemed necessary, the Board
 15 does hereby confirm said Report of Assessment Costs as
 16 described in Department of Public Works Order No. 152-209; and
 17 be it

18
 19 FURTHER RESOLVED, That a copy of this resolution and a
 20 copy of said itemized Report of Assessment Costs, and confirmed
 21 by the Board shall be transmitted to the Controller and Tax
 22 Collector of the City and County, whereupon it shall be the
 23 duty of said officers to add the amount of each assessment to
 24 the next regular bill for taxes levied against each respective
 25 parcel of land for municipal purposes, and thereafter each said
 26 amount shall be collected at the same time and in the same
 27 manner as ordinary City and County taxes are collected, and
 28 shall be subject to the same procedure under foreclosure and
 29 sale in case of delinquency as provided for ordinary taxes of
 30 the City and County; and be it

FURTHER RESOLVED, That all monies received in payment of the
 assessments shall be credited to the revolving fund provided for in
 Section 706.8 of the Public Works Code, except that the portion of
 the assessments attributable to the cost of City Administration
 shall be credited to the Administrative Account of Sidewalk Repair
 revolving fund (Index Code 040394, Funds 02-099 Project/Work Phase

(CCWD Contract Provisions)

1 URGING THE MAYOR TO URGE THE PUBLIC UTILITIES COMMISSION TO
2 CONDITION ISSUANCE OF THE PIPELINE CONSTRUCTION PERMIT TO THE
3 COASTSIDE COUNTY WATER DISTRICT UPON THE INCLUSION OF VARIOUS
4 ALTERNATIVE WATER SUPPLY STUDIES IN THE WATER SUPPLY CONTRACT.

5
6 WHEREAS, the Public Utilities Commission ("Commission") of
7 the City and County of San Francisco ("City") supplies water to
8 the suburban water customers in the San Francisco Water
9 Department's ("Water Department") service area; and

10 WHEREAS, The Water Department's service area has endured
11 drought conditions and stringent rationing programs an
12 unprecedented four years during the last 12 years, which
13 underscores the finite nature of our water supplies; and

14 WHEREAS, the Coastside County Water District ("CCWD") is
15 one of the Water Department's thirty suburban water customers; and
16 WHEREAS, the Water Department presently supplies the CCWD
17 with a portion of its requirements in the amount of approximately
18 1.5 million gallons per day (mgd) annual average from Pilarcitos
19 Reservoir, the remainder of CCWD's needs being met by its own
20 resources; and

21 WHEREAS, CCWD's water requirements from the Water
22 Department are projected to grow to a treatment plant capacity of
23 4.5 mgd and which demand cannot be met from Pilarcitos Reservoir;
24 and

25 WHEREAS, The Water Department and CCWD desire that future
26 water supplies provided by the Water Department come from Crystal
27 Springs Reservoir, consistent with the 1984 Water Supply Contract
28 between CCWD and the City, and the amendment thereto, as set
29 forth in this resolution, thereby reserving Pilarcitos Reservoir
30 for use by the City as an emergency reserve; and

1 WHEREAS, Pursuant to its supply contract with the City,
2 CCWD will construct a pipeline from Crystal Springs Reservoir to
3 the CCWD service area; and

4 WHEREAS, CCWD is agreeable to sizing said pipeline no
5 larger than eighteen (18) inches in diameter as provided for in
6 the 1987 Addendum EIR; and

7 WHEREAS, The City, in its discretion, may condition
8 approval of the pipeline right of way and pumping capacity upon
9 CCWD's compliance with reasonable water use practices including
10 conservation, reclamation and groundwater development; and

11 WHEREAS, It is in the best interests of the City and the
12 Water Department's customers that CCWD institute conservation
13 programs, reclamation of waste water and groundwater basin
14 management and storage to husband the finite water supplies of
15 the Hetch Hetchy and local watersheds; and

16 WHEREAS, CCWD shall maintain conservation, reclamation and
17 groundwater programs to minimize reliance on the Hetch Hetchy and
18 local systems, now therefore be it

19 RESOLVED, That the Board of Supervisors urges the Mayor to
20 urge the Public Utilities Commission to condition issuance of the
21 permit to the CCWD for construction of the proposed pipeline from
22 Crystal Springs Reservoir to the CCWD service area upon the
23 resolves herein; therefore be it

24 FURTHER RESOLVED, That the Public Utilities Commission
25 shall enter into negotiations with the CCWD to include provisions
26 in its water supply contract which will require CCWD to maximize
27 its use of conservation, reclamation and groundwater consistent
28 with the production of reliable water supplies, environmental

URGING THE MAYOR TO URGE THE PUBLIC UTILITIES COMMISSION TO INVESTIGATE, HOLD HEARINGS, DEVELOP PROGRAMS AND REPORT ITS FINDINGS TO THE BOARD OF SUPERVISORS WITHIN EIGHTEEN MONTHS ON THE POTENTIAL FOR CONSERVATION, RECLAMATION AND GROUNDWATER USE WITHIN THE WATER DEPARTMENT'S SERVICE AREA.

WHEREAS, The City and County of San Francisco ("City") through its Public Utilities Commission ("Commission") owns and operates a water supply system which provides domestic, municipal and industrial water to more than two million Bay Area residents; and

WHEREAS, To better husband the water currently supplied from the Hetch Hetchy and local watersheds, programs should be instituted for conservation, reclamation of waste water and use of groundwater supplies; and

WHEREAS, To the extent it is environmentally sound, economically reasonable, and consistent with social and public policies, reliable water supplies produced by conservation, reclamation and groundwater programs should be used to augment the high quality water produced by the San Francisco watersheds; and

WHEREAS, The Commission currently does not have information on the feasibility of augmenting its water supplies through the use of conservation, reclamation and groundwater; and

WHEREAS, Resolution 389-89, approved on May 31, 1989, called for the Water Department to conduct a study on how to improve groundwater management and utilization and how to further develop conservation plans and wastewater reclamation and reuse within the City and County of San Francisco, and that report will be provided to the Board of Supervisors in November, 1989; now, therefore, be it

///

RESOLVED, That the Board of Supervisors urges the Mayor to urge the Public Utilities Commission to begin an investigation of the potential for conservation, reclamation and groundwater usage to provide reliable water supplies to augment the Hetch Hetchy and local water supplies, as further resolved herein; and be it

FURTHER RESOLVED, That the Commission, in cooperation with its suburban water customers, shall hold a series of public hearings throughout the Water Department service area to receive information on conservation, reclamation and groundwater practices which will better husband the City's water supplies; and be it

FURTHER RESOLVED, That the Commission shall undertake cooperative efforts with its suburban water customers to develop programs for conservation, reclamation and groundwater usage; and be it

FURTHER RESOLVED, That within 18 months from the enactment of this resolution the Commission shall report to the Board of Supervisors of its findings regarding the use of conservation, reclamation and groundwater supplies which, consistent with environmental and economic considerations and social and public policies, will produce reliable sources of water that will better husband the City's Hetch Hetchy and local water supplies; and be it

FURTHER RESOLVED, That this report shall incorporate the findings and recommendations of the report on groundwater management and utilization, conservation, and wastewater reclamation and reuse that shall be submitted to the Board of Supervisors in November, 1989.

2 URGING THE MAYOR TO URGE THE RECREATION AND PARK COMMISSION TO HOLD
3 PUBLIC HEARINGS ON RECONSIDERING ITS ACTION TO CLOSE THE SHARP PARK
4 RIFLE RANGE.

5 WHEREAS, The Public Works Committee of the Board of Supervisors
6 held a public hearing on September 19, 1989 concerning the decision
7 of the Recreation and Park Commission to close the Sharp Park Rifle
8 Range; and

9 WHEREAS, The patronage of this facility was nearly 25,000
10 annually, many of whom were San Francisco residents; and

11 WHEREAS, Testimony was given that various groups have been
12 formulating a proposal for reopening the Sharp Park Rifle Range by
13 contract with the City and County of San Francisco; and

14 WHEREAS, A detailed operational and financial program will be
15 proposed to ensure safety at the range by concerned individuals and

RESOLUTION NO. 742-87

1 URGING THE MAYOR TO URGE THE HOUSING AUTHORITY COMMISSION TO
2 EVALUATE AND CONSIDER THE POSSIBLE BENEFITS OF DEVELOPING A
3 COMPREHENSIVE PLAN MODELED AFTER THE CHICAGO HOUSING AUTHORITY
4 INITIATIVE TO ATTEMPT TO BRING DRUG AND DRUG-RELATED CRIME
5 UNDER CONTROL IN THE CITY'S HOUSING PROJECTS.

6 WHEREAS, San Francisco is experiencing a notable increase
7 in drug dealing and drug related crime; and

8 WHEREAS, The "crack" cocaine problem in San Francisco has
9 been termed an "epidemic"; and

10 WHEREAS, Gang warfare is on the rise in San Francisco; and
11 WHEREAS, These problems are prevalent in neighborhoods near
12 public housing projects; and

13 WHEREAS, Other U.S. cities are experiencing similar drug
14 dealing and related crime problems; and

15 WHEREAS, The City of Chicago has undertaken a comprehensive
16 plan involving the police, the federal government, the Housing
17 Authority, social services, the community, the residents of
18 housing projects and the private sector in combatting their
19 drug and gang crime problems; and

20 WHEREAS, San Francisco cannot rely only upon its Police
21 Department in solving this multi-layered problem; and

22 WHEREAS, Residents of housing projects and surrounding
23 neighborhoods have a right to safety; and

24 WHEREAS, The City is losing more and more of its young
25 people to drugs and related crime; and

26 WHEREAS, Without a comprehensive plan in place, San
27 Francisco will lose countless resources in its community as
28 well as from the City's treasury; and

29 WHEREAS, A three-part plan following the Chicago model
30 could be advantageous to San Francisco including the following

elements:

- (1) Enforcement against drugs and crime
- o Entering into a cooperative relationship with the U.S. Attorney's Office;
 - o Considering reviving the City's Housing Authority Police;
 - o Fining residents for destructive behavior;
 - o Expediting the judicial system relative to eviction of residents who may be dealing drugs;
 - o Evicting unofficial residents not on the unit's lease;
 - o Developing ID cards for official Housing Authority residents and sign-in/sign-out policy for visitors.
- (2) Intervention to break the drug cycle
- o Organization of residents into floor captains and building councils to aid resident involvement in management;
 - o Consolidation of social services to eligible residents to provide on-site services;
- (3) Prevention of drug use
- o Developing of resident patrols;
 - o Providing substance abuse education and information to residents and young people in the schools;
 - o Encouraging resident business enterprises as alternatives to drug dealing;
 - o Developing of recreational and cultural activities for young people living in Housing Authority units;
 - o Providing education for young people on conflict resolution as an alternative to violence;
 - o Involving the private sector in sponsoring programs, providing volunteers and assisting in job development;

PAGE TWO

1 now, therefore, be it
2
3 RESOLVED, That the Board of Supervisors urges the Mayor to
4 urge the Housing Authority to evaluate and consider the
5 possible benefits of developing a comprehensive plan modeled
6 after the one established by the Chicago Housing Authority in
7 an attempt to bring crime and drug dealing under control in the
8 City's housing projects.

(Transit Impact Development Fee Schedule)

ESTABLISHING THE TRANSIT IMPACT DEVELOPMENT FEE SCHEDULE FOR FY 85/86 AT \$5.00 PER SQUARE FOOT OF OFFICE USE IN NEW DEVELOPMENT.

WHEREAS, Section 38.6 of the San Francisco Administrative Code

requires the Transit Impact Development Fee Schedule to be reviewed by the Board, to ensure that, subject to a limit of \$5 per square foot, the fee accurately measures the cost of adding, operating and maintaining the additional peak-period public transit service required by office uses in new development in the Downtown Area; and

WHEREAS, the City Planning Commission has prepared a report which estimates the number of peak-period, person-trips generated annually per gross square foot of office use in new development for FY 85/86; and

WHEREAS, the General Manager of Public Utilities has prepared a report regarding the current cost per peak-period, Municipal Railway person-trip necessary to provide expanded public transit services required by new development, the estimated useful life in years of new development, the projected annual increases in the cost per peak-period Municipal Railway person-trip to provide the necessary additional public transit services during the estimated useful lives of new developments, and the estimated annual rate of return on the proceeds of this fee which are invested prior to their use to provide the necessary additional transit services during the useful lives of new developments for FY 85/86; and

WHEREAS, the fee rate cannot exceed \$5 per square foot for office use in new development; and

WHEREAS, After receiving these reports and making them available for public distribution, the Board of Supervisors conducted a public hearing in which it considered these reports, heard testimony from any interested members of the public and received such evidence as it may deem necessary; now, therefore, be it

RESOLVED, The Board determines the number of peak-period, person-trips of the Municipal Railway generated annually per gross square foot of office use in new development during FY 85/86 was 0.89; and be it

FURTHER RESOLVED, The Board determines the useful life in years of office use in new developments is 45; and, be it

FURTHER RESOLVED, The Board determines that the FY 85/86 cost per peak-period Municipal Railway person-trip for the additional peak-period service necessary to serve new developments is 63 cents (average operating costs, all modes); and, be it

FURTHER RESOLVED, The Board determines that the appropriate annual rate of increase in the cost of providing additional, peak-period MUNI person-trips for the economic life expectancy of office buildings from FY 85/86 is 4.1%; and, be it

(Transit Impact Development Fees Schedule)
 ESTABLISHING THE TRANSIT IMPACT DEVELOPMENT FEE SCHEDULE FOR FY 86/87 AT
 \$5.00 PER SQUARE FOOT OF OFFICE USE IN NEW DEVELOPMENT.

WHEREAS, Section 38.6 of the San Francisco Administrative Code
 requires the Transit Impact Development Fee Schedule to be reviewed by
 the Board, to ensure that, subject to a limit of \$5 per square foot, the
 fee accurately measures the cost of adding, operating and maintaining the
 additional peak-period public transit service required by office uses in
 new development in the Downtown Area; and

WHEREAS, the City Planning Commission has prepared a report which
 estimates the number of peak-period, person-trips generated annually per
 gross square foot of office use in new development for FY 86/87; and

WHEREAS, the General Manager of Public Utilities has prepared a
 report regarding the current cost per peak-period, Municipal Railway
 person-trip necessary to provide expanded public transit services
 required by new development, the estimated useful life in years of new
 development, the projected annual increases in the cost per peak-period
 Municipal Railway person-trip to provide the necessary additional public
 transit services during the estimated useful lives of new developments,
 and the estimated annual rate of return on the proceeds of this fee which
 are invested prior to their use to provide the necessary additional
 transit services during the useful lives of new developments for FY
 86/87; and

WHEREAS, the fee rate cannot exceed \$5 per square foot for office
 use in new development; and

WHEREAS, After receiving these reports and making them available
 for public distribution, the Board of Supervisors conducted a public
 hearing in which it considered these reports, heard testimony from
 any interested members of the public and received such evidence as it may
 deem necessary; now, therefore, be it

RESOLVED, The Board determines the number of peak-period,
 person-trips of the Municipal Railway generated annually per gross square
 foot of office use in new development during FY 86/87 was 0.89; and be it

FURTHER RESOLVED, The Board determines the useful life in years of
 office use in new developments is 45; and, be it

FURTHER RESOLVED, The Board determines that the FY 86/87 cost per
 peak-period Municipal Railway person-trip for the additional peak-period
 service necessary to serve new developments is 69 cents (average
 operating costs, all modes); and, be it

FURTHER RESOLVED, The Board determines that the appropriate annual
 rate of increase in the cost of providing additional, peak-period MUNI
 person-trips for the economic life expectancy of office buildings from FY
 86/87 is 4.1%; and, be it

FURTHER RESOLVED, The Board determines that the appropriate annual
 rate of return on the invested proceeds, for the purpose of TIDF Rate
 analysis, from FY 86/87 is 6.7%; and, be it

FURTHER RESOLVED, Analysis of the annual peak-period Municipal
 Railway person-trips per gross square foot times current cost per

1 additional peak-period Municipal Railway person-trip times the present
2 value factor appropriate to the difference between the annual rate of
3 cost increases and return on invested funds over the useful lives of new
4 developments yield a FY 86/87 rate of \$11.67, and be it

5 FURTHER RESOLVED, The Board establishes the Transit Impact
6 Development Fee Schedule for FY 86/87 at \$5.00 per square foot for office
7 use in new developments.

[Street Vacation]

DECLARING INTENTION OF BOARD OF SUPERVISORS TO VACATE A PORTION OF THE STREET
AREA AT THE INTERSECTION OF OTIS AND MISSION STREETS AND SETTING THE HEARING DATE
FOR ALL PERSONS INTERESTED IN THE PROPOSED VACATION.

WHEREAS, A petition has been filed by the City and County of San Francisco
acting by and through its Department of Public Works to vacate a portion of the
street area at the intersection of Otis and Mission Streets, as shown on the
Department of Public Works' drawing No. SUR 789, dated August 15, 1989, a copy of
which is on file with the Clerk of the Board of Supervisors; and

WHEREAS, The proposed street vacation is necessary to accommodate necessary
improvements to the adjacent City-owned building at 1680 Mission Street which is
under jurisdiction of the Department of Public Works; and

WHEREAS, The Department of Public Works has determined that said street area
is no longer needed for present or prospective street purposes; and

WHEREAS, On July 14, 1989, the Department of City Planning reported that the
proposed vacation is in conformity with the Master Plan and specifically
determined the project to be consistent with the Eight Priority Policies of City
Planning Code Section 101.1; now, therefore, be it

RESOLVED, That it is the intention of this Board of Supervisors to order the
vacation of said street area, reserving, however, unto Pacific Bell and its
successors in interest the right to maintain, operate, replace, remove and renew
its public utility facilities presently located within the designated portion of
said street; provided, however, that the rights hereby reserved to Pacific Bell
shall not exceed the rights presently held by it under its present utility
franchise and shall be subject to all of the conditions and obligations of that
franchise; and, be it

FURTHER RESOLVED, That said vacation shall be done and made in a manner in
accordance with the provisions of the Public Streets, Highways, and Service Easements
Vacation Law (Streets and Highways Code Section 8300 et seq.) and notice is
hereby given that on the 6th day of November, 1989, beginning at 3:00 P.M.,
in the Legislative Chambers of the Board of Supervisors, all persons interested in
or objecting to the proposed vacation will be heard; and, be it

FURTHER RESOLVED, That, upon vacation of the subject street area, the street
area will remain under the jurisdiction of the Department of Public Works; and,
be it

FURTHER RESOLVED, That the Clerk of this Board is hereby directed to
transmit to the Department of Public Works a certified copy of this Resolution,
and the Department of Public Works is hereby directed to give notice of such
contemplated action in the manner required by law.

RESOLUTION NO. 759-89

IMPOSING INTERIM ZONING CONTROLS TO TEMPORARILY PROHIBIT THE
CONVERSION OF SERVICE STATIONS TO NON-SERVICE STATION USES FOR AN
EIGHTEEN MONTH PERIOD UNLESS THE OWNER CAN DEMONSTRATE THAT IT
CANNOT MAKE A FAIR RETURN, AND ESTABLISHING A TASK FORCE TO STUDY
PERMANENT CONTROLS AND TO ADVISE THE BOARD OF SUPERVISORS.

WHEREAS, The recent trend toward conversion of service
stations to non-service station uses has resulted in the
curtailment of essential services, including automobile refueling
and emergency roadside services, and is contrary to the public
health, safety, peace, and general welfare; and

WHEREAS, Interim controls are necessary to enable the Board
of Supervisors and the City Planning Department to preserve the
number of service stations while they study the problem of
reduced availability of automotive services to the public and
devise permanent controls; and

WHEREAS, The Board of Supervisors is authorized by Section
306.7(c) of the City Planning Code to initiate the procedure for
imposing interim zoning controls by a motion adopted by majority
vote; and

WHEREAS, The procedure for consideration and imposition of
interim zoning controls by the City Planning Commission and the
Board of Supervisors following a motion adopted by the Board of
Supervisors is set forth in Section 306.7 of the City Planning
Code; and

WHEREAS, Planning Code Section 306.7 provides that the Board
of Supervisors may consider in adopting interim controls the
development and conservation of the commerce and industry of the
City in order to maintain the economic vitality of the City, the
provision to its citizens of adequate jobs and business
opportunities, and the maintenance of adequate services for it

1 residents, visitors, businesses, and institutions; now therefore,
2 be it

3 RESOLVED, That interim zoning controls are hereby
4 temporarily imposed which shall make it unlawful for the owner of
5 the property on which a service station business is conducted on
6 or after the effective date of this Resolution to convert the use
7 of the property on which the service station is located to a
8 non-service station use. Notwithstanding the foregoing, if the
9 evidence presented by the owner of the property on which a service
10 station business is conducted at a public hearing pursuant to
11 Public Works Code Section 792(b) establishes that the applicant is
12 not earning a fair return on the applicant's investment in the
13 property through use of the property for a service station, it
14 shall not be unlawful for the applicant to convert the use of the
15 property to a non-service station use.

16 For purposes of these interim controls, the following
17 definitions shall apply:

18 "Service station" shall be as defined in Part II, Chapter I
19 of the San Francisco Municipal Code (Building Code), Chapter 4,
20 Definitions and Abbreviations, excluding facilities which dispense
21 gasoline solely for private use;

22 "Earning a fair return on the applicant's investment" shall
23 mean that the applicant has earned at least a 10% return on the
24 applicant's investment in the property for the two full calendar
25 years preceding the filing of the conversion application. Where
26 the applicant is the owner of the property on which the service
27 station is operated but is not the owner of the service station
28 business, "return" shall mean the before income tax total annual
29 rent and other compensation received from the service station
30 business for the lease of the land and buildings, less the

1 expenses of the lessor, on a cash accrual basis. Where the
2 applicant is the owner of both the property on which the service
3 station is operated and the service station business, "return"
4 shall mean the before income tax profit on the sale of all goods
5 and services at the service station, including the sale of
6 gasoline, less the cost of goods sold and operating costs, on a
7 cash accrual basis.

8 "Total investment in the property" shall mean the fair
9 market value of the property at the start of each full calendar
10 year preceding the filing of a conversion application.

11 "Conversion" shall mean a decrease in the services provided
12 to the public which changes the operation of a service station to
13 a non-service station use; and
14 and be it

15 FURTHER RESOLVED that these interim controls shall not apply
16 to property for which an environmental evaluation application has
17 been filed with the Department of City Planning for a proposed
18 non-service station use on or before June 1, 1989.

19 FURTHER RESOLVED that these controls shall remain in effect
20 for an eighteen-month period.

21 FURTHER RESOLVED that the Board hereby creates a Task Force
22 on Service Station Conversions composed of one representative each
23 from: The Department of City Planning to be appointed by the
24 Director of Planning, the Department of Public Works to be
25 appointed by the Director of DPW, the City Attorney's Office to be

6 shall appoint a chair from among its members. The Task Force is
7 hereby assigned the following purposes and functions:

8 (a) to monitor and evaluate the effects of these interim
9 controls on the conversion of service stations to non-service
10 station uses;

11 (b) to prepare an inventory of existing service stations in
12 San Francisco, including their location, ownership, type of
13 services offered, and the nature of any franchise agreements in
14 effect;

15 (c) To determine the types of automotive services that are
16 necessary and convenient to consumers;

17 (d) to determine the locations of service stations which
18 would be convenient for consumers; and

19 (e) to submit a written report to the Board at least 90 days
20 before the expiration of these interim controls containing its
21 findings and recommendations pertaining to:

22 (1) the causes of service station conversions in San
23 Francisco; and

24 (2) permanent legislation to control the conversion of

[Lease of Real Property]

AUTHORIZING LEASE OF REAL PROPERTY AT 1155 MARKET STREET FOR THE EMPLOYEES' RETIREMENT SYSTEM'S WORKERS' COMPENSATION DIVISION AND THE HEALTH SERVICE SYSTEM.

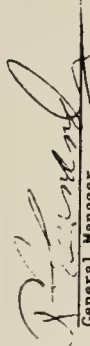

RESOLVED, In accordance with the recommendation of the General Manager, Employees' Retirement System, the Executive Director, Health Service System and the Director of Property, that the Mayor and the Clerk of the Board of Supervisors, on behalf of the City and County of San Francisco, as Lessee, be and they are hereby authorized to execute a written lease with Continental Savings of America, as Lessor, for the entire third floor located at 1155 Market Street, San Francisco, California, which comprises an approximate area of 12,918 square feet, for other offices for Retirement's Workers' Compensation Division and the Health Service System.

The lease shall commence December 1, 1989 or as soon thereafter as alterations are completed by Lessor and accepted by City and end November 30, 1994 at an initial rental of \$12,918 per month. It is further understood that City shall occupy said premises for the entire lease term expiring November 30, 1994, unless funds for rental payments are not appropriated in any subsequent fiscal year, at which time City may terminate this lease with ninety (90) days prior written notice to Lessor.

City to reimburse Lessor for a portion of the alteration costs of the subject premises at an amount not to exceed \$11,000. Said reimbursement shall be paid together with the first month's rent due after City's acceptance of the premises.

City agrees to hold Lessor harmless from any and all claims or liability for any injury or damage to any person or property occurring in or about the premises or any part thereof, resulting from negligence of the City, its agents or employees.

[Post-Earthquake Building Preservation]
DECLARING THE OFFICIAL POLICY OF THE CITY AND COUNTY OF
SAN FRANCISCO TO PRESERVE AND STRENGTHEN ALL BUILDINGS
AFFECTED BY THE EARTHQUAKE, WHERE POSSIBLE AND IN
ACCORDANCE WITH ACCEPTABLE SAFETY STANDARDS

WHEREAS, The people of the City and County of San
Francisco have suffered loss of life and property during
the earthquake that shook the City on October 17, 1989,
and produced aftershocks and fire; and

WHEREAS, In the eagerness of the community to rebuild,
there may be pressure to abolish existing structures that
have been harmed by the earthquake but that can be
responsibly restored; and

WHEREAS, Many of these structures represent the life
savings and personal histories of their owners and
residents, and give character and community to the entire
City and County of San Francisco; and

WHEREAS, The removal of tenants and owners from these
properties is a source of enormous pain and anguish for
them, and that may be unnecessary and contributes little
to the restoration of neighborhoods as places of personal
meaning and identity; and

WHEREAS, Mayor Agnos and his administration recognize
the faultiness of destroying homes, businesses and
community landmarks for the sake of expediency and
convenience in order to remove evidence of the earthquake
and rebuild neighborhoods; and now be it

RESOLVED, The Board of Supervisors supports the
efforts of the Mayor and the community to responsibly
preserve as much of the housing stock and businesses
affected by the earthquake; and be it further

RESOLVED, The Board of Supervisors encourages all
efforts by City and County personnel to preserve property
whenever it is a responsible course, and to limit the
demolition of buildings to those that truly pose a threat
to the safety and well-being of inhabitants and
surrounding residents.

1 GRANTING REVOCABLE PERMISSION TO KAISER FOUNDATION HOSPITAL TO INSTALL ONE (1)
2 36" UNDERGROUND CONDUIT FOR A MICRO-WAVE COMMUNICATION SYSTEM UNDER ST. JOSEPH'S
3 AVENUE, SOUTH OF GEARY BOULEVARD, CONNECTING ASSESSOR'S BLOCK 1095, LOT 5 AND
4 BLOCK 1098, LOT 50 AND TO INSTALL ONE (1) UNDERGROUND PG&E VAULT UNDER THE WEST
5 SIDE OF ST. JOSEPH'S AVENUE FRONTING ASSESSOR'S BLOCK 1095, LOT 5, AND ADOPTING
6 FINDINGS PURSUANT TO CITY PLANNING CODE SECTION 101.1.

7 RESOLVED, That permission, revocable at the will of the Board of Supervisors
8 and automatically terminating upon failure to continue in force the insurance
9 protection hereinafter referred to, is hereby granted to Kaiser Foundation Hospital
10 to occupy a portion of the street area under St. Joseph's Avenue, south of Geary
11 Boulevard for the purpose of installing and maintaining one (1) 36" underground
12 conduit for a microwave communication system and to install and maintain one (1)
13 underground PG&E vault under the west side of St. Joseph's Avenue as shown on the
14 plans a copy of which are on file in the office of the Clerk of the Board of
15 Supervisors; and, be it

16 FURTHER RESOLVED, That the project intended by the encroachments is consistent
17 with the eight priority policies of City Planning Code Section 101.1; in that

- 18 1. The project is for the construction of an underground conduit under St.
19 Joseph's Avenue to accommodate a telecommunication system and an under-
20 ground PG&E vault to accommodate new electrical and gas connections to
21 the existing Kaiser Hospital and will have no effect on retail uses or
22 neighborhood employment opportunities.
- 23 2. The project will not involve the demolition of any existing residential
24 units or adversely affect the character of the neighborhood.
- 25 3. Since the project will not involve the demolition of any residential units,
26 the City's supply of affordable housing stock will not be affected by the
27 project.
- 28 4. The project will not impact MUNI and other transportation services nor
29 impact existing neighborhood parking.
- 30 5. The project is essential to providing quality health care for 22% of the
31 City's residents. The project will not affect neighborhood serving
32 retail businesses and services.
- 33 6. The project will be constructed to meet present seismic safety requirements.
34 The purpose of the underground conduit is to provide an alternative
35 communication system and the relocation of existing electrical and gas
36 services will enhance the objective that the City achieve the greatest
37 possible preparedness to protect the community in case of natural disasters.

PROVIDED HOWEVER, That this permission shall not become effective until:

(a) There shall have been executed and acknowledged by the permittee; and by it delivered to the City's Controller, who shall have had recorded in the office of the county Recorder a street encroachment agreement, a copy of which is on file with the clerk of the Board of Supervisors in File No. 10-89-10 and which is hereby declared to be a part of this resolution as if set forth fully herein, and the copy of this resolution attached thereto as Exhibit A.

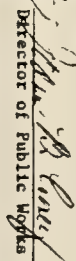

(b) There shall have been delivered to the Controller the policy of insurance provided for in said agreement and the Controller shall have had approved same as complying with the requirements of said agreement. The Controller may, at his option accept, in lieu of said insurance policy, the certificate of an insurance company certifying to the existence of such a policy.

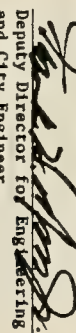

FURTHER PROVIDED, The permittee, at the permittee's sole expense, and as is necessary as a result of this permit, shall make arrangements: (1) to provide for the support and protection of facilities belonging to the public utility companies, the San Francisco Water Department, the San Francisco Fire Department and other City departments; (2) to remove or change the location of such facilities and provide access to such facilities for the purpose of constructing, reconstructing, maintaining, operating, or repairing such facilities.

FURTHER PROVIDED, That the permittee shall procure the necessary permits from the Central Permit Bureau and/or Bureau of Engineering, Department of Public Works, and pay the necessary permit fees and inspection fees before starting work.

1 FURTHER PROVIDED, That the Board of Supervisors reserves the right to
2 exact a permit fee, or rental, for the use of the street area in front of the
3 City with respect to said street areas for the purpose of performance of its
4 governmental or proprietary activities, including the constructing, recon-
5 structing, maintaining, operating, repairing, removing and use of public
6 utilities located under, over, or along said street areas;
7 FURTHER PROVIDED, That no structure shall be erected or constructed
8 on said street area except as specifically permitted herein;
9 FURTHER PROVIDED, That the permittee shall assume all costs and main-
10 tenance and repair of the encroachments and no cost or obligation of any
11 kind shall accrue to the City and County of San Francisco by reason of this
12 permission granted.

COMPARISON OF PROPOSED 1988 SAN FRANCISCO BUILDING CODE WITH THE
STATE BUILDING CODE PURSUANT TO SECTION 17958.5 OF THE CALIFORNIA
HEALTH AND SAFETY CODE

As required in Section 17958.5 of the California Health and
Safety Code, when there are differences between the locally
adopted Building Code and the State Building Code (Title 24
California Code of Regulations), the governing body must consider
the reasons for these differences based upon local conditions. A
copy of the findings must be filed with the State Building
Standards Commission.

In accordance with these requirements, the attached listing was
prepared.

The reasons given are indicated by numbers and the reasons to
which the numbers refer follow the tabular listing. The
differences noted are only those of substantive content and do
not contain administrative or procedural amendments or items in
the State Building Code not enforced by the State Building
Standards Commission as indicated by the Adoption Tables

REASONS FOR MODIFICATION OF STATE BUILDING CODE IN ACCORDANCE
WITH CALIFORNIA HEALTH AND SAFETY CODE SECTION 17958.5

1. San Francisco hotels often contain guest rooms with cooking
facilities due to the large number of persons of low and
moderate income living in residential hotels.
2. San Francisco style of architecture.
3. Indefinite provisions subject to varying interpretations;
therefore need to codify determinations to ensure uniform
code enforcement in a large jurisdiction like San
Francisco, which employs many inspectors and receives
numerous public requests for interpretations.
4. Many San Francisco single family dwellings have a second
kitchen which may under certain conditions be legalized.
5. Changes of occupancy involve additional hazards not covered
by the State Building Code, including seismic, since San
Francisco is an area of high seismic risk.

6. Needed due to small lot size and high density of buildings and population. Most buildings in San Francisco are built up to the property lines.
7. Crowded buildings due to small lots. Additional fire protection needed.
8. Needed in San Francisco due to small lot size and need for additional dwelling units. Safety not compromised.
9. Clarification needed due to steep hillside lots in San Francisco. Not adequately covered in State Building Code.
10. Additional safety due to crowded conditions in San Francisco.
11. Additional safety due to San Francisco hillside conditions.
12. Additional protection against conflagration due to small lots, crowded condition, large number of wood frame buildings.
13. Needed for sanitation. Facility necessary because of small lots, crowded conditions.
14. Crowded sidewalks. Inconvenience to public if buildings drain over sidewalk.
15. Small dwelling units in San Francisco. Additional safety needed.
16. Additional safety due to large numbers of persons in building as a result of small dwelling units.
17. More restrictive requirements for light and ventilation due to small lots, buildings extending to property line, etc.
18. Insufficient width of street for Fire Department use.
19. Many security gates in urban area. Necessary to have simple mechanical release to allow exit if electricity off.
20. Fire escapes necessary on small apartment buildings due to small lots, dense population, and parking requirements.
21. Protection of views.
22. Needed when buildings occupy the entire width of property and one-for-one parking requirements in San Francisco.

23. Hazards due to small dwelling units and crowded living.
24. To accomodate operations of the San Francisco Fire Department, which uses different size equipment than specified in the State Building Code.
25. Additional security measures necessary as a result of high crime rate and type of building construction.
26. Additional smoke control requirements due to crowded buildings, close together, and the need of safer exiting conditions. Proven necessary in recent hotel fire.
27. Additional protection due to proximity of openings to property line as a result of small lots and large buildings crowded together.
28. Required due to one-for-one parking, small lots in San Francisco. Additional safety added.
29. Added protection by smoke detectors in halls and heat detectors in inner courts compensate for alarms in certain buildings.
30. Zone of high seismic risk. Additional safety features required.
31. Additional restrictions to protect against moisture due to San Francisco climatic conditions (fog).
32. Not adequately covered by the State Building Code.

(Building Code)

ENDORSED THOSE CHANGES AND PROVIDING FINDINGS AS TO THE LOCAL CONDITIONS REQUIRING CHANGES OF THE STATE BUILDING CODE FOR BUILDINGS, AS REQUIRED BY CALIFORNIA HEALTH AND SAFETY CODE.

WHEREAS, The Board of Supervisors is enacting a Building Code for the City and County of San Francisco to be known as the "1988 San Francisco Building Code"; and

WHEREAS, the aforesaid San Francisco Building Code differs in part from the State Building Code for buildings; and

WHEREAS, California Health and Safety Code Section 17958.5 requires the City to furnish reasons to the State Building Standards Commission for such changes based upon local conditions; and

WHEREAS, Crowded conditions in San Francisco have resulted in many narrow lots, often smaller than lots in other California communities; buildings extending the entire width of the lot and abutting against neighboring buildings; high population density both in the City as a whole and within individual buildings; crowded sidewalk areas; limited availability of on-street parking and housing built on steep hillside lots; and

WHEREAS, Special fire hazards exist as a result of the crowded conditions, such as abutting buildings, high population density both overall and within individual buildings, along with other factors, such as steep and narrow streets and many old wood-frame buildings; and

WHEREAS, Special sanitary, general health and safety hazards exist as a result of the high population density, the closeness of buildings which reduces access to light and

1 ventilation, and the high crime rate; and

2 WHEREAS, There is a critical shortage of housing as a
3 result of crowded conditions, little space left for new
4 development and the increased cost of available housing, and
5 therefore the City tolerates small residential units, dense
6 housing concentrations and residential housing over commercial
7 uses; and

8 WHEREAS, It is the policy of the City and County of San
9 Francisco to encourage the provision of affordable housing; and

10 WHEREAS, Natural conditions such as steep hills, high
11 seismic activity and foggy climate may present special dangers to
12 the public health, safety and welfare unless special provisions
13 are added to the State Building Code; and

14 WHEREAS, The aforesaid grounds constitute a general

22 WHEREAS, The Board of Supervisors has reviewed the reasons
23 for the differences due to the local conditions set forth above
24 and in said Attachment A; and

25 WHEREAS, The Board of Supervisors finds and determines that
26 these differences in the San Francisco Building Code are
27 necessary because of local conditions as set forth above and in
28 said Attachment A; now therefore be it

29 RESOLVED, That the Board of Supervisors does hereby find

COMPARISON OF PROPOSED 1988 SAN FRANCISCO BUILDING CODE WITH THE STATE BUILDING CODE PURSUANT TO SECTION 17958.5 OF THE CALIFORNIA HEALTH AND SAFETY CODE

As required in Section 17958.5 of the California Health and Safety Code, when there are differences between the locally adopted Building Code and the State Building Code (Title 24 California Code of Regulations), the governing body must consider the reasons for these differences based upon local conditions. A copy of the findings must be filed with the State Building Standards Commission.

In accordance with these requirements, the attached listing was prepared.

The reasons given are indicated by numbers and the reasons to which the numbers refer follow the tabular listing. The differences noted are only those of substantive content and do not contain administrative or procedural amendments or items in the State Building Code not enforced by the State Building Standards Commission as indicated by the Adoption Tables

REASONS FOR MODIFICATION OF STATE BUILDING CODE IN ACCORDANCE WITH CALIFORNIA HEALTH AND SAFETY CODE SECTION 17958.5

1. San Francisco hotels often contain guest rooms with cooking facilities due to the large number of persons of low and moderate income living in residential hotels.
2. San Francisco style of architecture.
3. Indefinite provisions subject to varying interpretations; therefore need to codify determinations to ensure uniform code enforcement in a large jurisdiction like San Francisco, which employs many inspectors and receives numerous public requests for interpretations.
4. Many San Francisco single family dwellings have a second kitchen which may under certain conditions be legalized.
5. Changes of occupancy involve additional hazards not covered by the State Building Code, including seismic, since San Francisco is an area of high seismic risk.

6. Needed due to small lot size and high density of buildings and population. Most buildings in San Francisco are built up to the property lines.
7. Crowded buildings due to small lots. Additional fire protection needed.
8. Needed in San Francisco due to small lot size and need for additional dwelling units. Safety not compromised.
9. Clarification needed due to steep hillside lots in San Francisco. Not adequately covered in State Building Code.
10. Additional safety due to crowded conditions in San Francisco.
11. Additional safety due to San Francisco hillside conditions.
12. Additional protection against conflagration due to small lots, crowded condition, large number of wood frame buildings.
13. Needed for sanitation. Facility necessary because of small lots, crowded conditions.
14. Crowded sidewalks. Inconvenience to public if buildings drain over sidewalk.
15. Small dwelling units in San Francisco. Additional safety needed.
16. Additional safety due to large numbers of persons in building as a result of small dwelling units.
17. More restrictive requirements for light and ventilation due to small lots, buildings extending to property line, etc.
18. Insufficient width of street for Fire Department use.
19. Many security gates in urban area. Necessary to have simple mechanical release to allow exit if electricity off.
20. Fire escapes necessary on small apartment buildings due to small lots, dense population, and parking requirements.
21. Protection of views.
22. Needed when buildings occupy the entire width of property and one-for-one parking requirements in San Francisco.

23. Hazards due to small dwelling units and crowded living.
24. To accommodate operations of the San Francisco Fire Department, which uses different size equipment than specified in the State Building Code.
25. Additional security measures necessary as a result of high crime rate and type of building construction.
26. Additional smoke control requirements due to crowded buildings, close together, and the need of safer exiting conditions. Proven necessary in recent hotel fire.
27. Additional protection due to proximity of openings to property line as a result of small lots and large buildings crowded together.
28. Required due to one-for-one parking, small lots in San Francisco. Additional safety added.
29. Added protection by smoke detectors in halls and heat detectors in inner courts compensate for alarms in certain buildings.
30. Zone of high seismic risk. Additional safety features required.
31. Additional restrictions to protect against moisture due to San Francisco climatic conditions (fog).
32. Not adequately covered by the State Building Code.

ENDORING THOSE CHANGES AND PROVIDING FINDINGS AS TO THE LOCAL CONDITIONS REQUIRING CHANGES OF THE STATE ELECTRICAL CODE FOR BUILDINGS, AS REQUIRED BY CALIFORNIA HEALTH AND SAFETY CODE.

WHEREAS, The Board of Supervisors is enacting an Electrical Code for the City and County of San Francisco to be known as the "1987 San Francisco Electrical Code"; and

WHEREAS, the aforesaid San Francisco Electrical Code differs in part from the State Electrical Code for buildings; and

WHEREAS, California Health and Safety Code Section 17958.5 requires the City to furnish reasons to the State Building Standards Commission for such changes based upon local conditions; and

WHEREAS, Crowded conditions in San Francisco have resulted in many narrow lots, often smaller than lots in other California communities; buildings extending the entire width of the lot; abutting against neighboring buildings; high population densities; both in the City as a whole and within individual buildings; crowded sidewalk areas; limited availability of on-street parking and housing built on steep hillside lots; and

WHEREAS, Special fire hazards exist as a result of the crowded conditions, such as abutting buildings, high population density both overall and within individual buildings, along with other factors, such as steep and narrow streets and many old wood-frame buildings; and

WHEREAS, Special sanitary, general health and safety hazards exist as a result of the high population density, the closeness of buildings which reduces access to light and

ATTACHMENT A
COMPARISON OF PROPOSED 1987 SAN FRANCISCO ELECTRICAL CODE WITH
THE STATE ELECTRICAL CODE PURSUANT TO SECTION 17958.5 OF THE
CALIFORNIA HEALTH AND SAFETY CODE

As required in Section 17958.5 of the California Health and
Safety Code, when there are differences between the locally
adopted Electrical Code and the State Electrical Code (Title 24
California Code of Regulations), the governing body must consider
the reasons for these differences based upon local conditions. A
copy of the findings must be filed with the State Building
Standards Commission.

In accordance with these requirements, the attached listing was
prepared.

The reasons given are indicated by numbers and the reasons to
which the numbers refer follow the tabular listing. The
differences noted are only those of substantive content and do
not contain administrative or procedural amendments or items in
the State Electrical Code not enforced by the State Building
Standards Commission as indicated by the Adoption Tables.

REASONS FOR MODIFICATION OF STATE ELECTRICAL CODE IN ACCORDANCE
WITH CALIFORNIA HEALTH AND SAFETY CODE SECTION 17958.5

1. San Francisco hotels often contain guest rooms with cooking
facilities due to the large number of persons of low and
moderate income living in residential hotels.
2. San Francisco style of architecture.
3. Indefinite provisions subject to varying interpretations;
therefore need to codify determinations to ensure uniform
code enforcement in a large jurisdiction like San
Francisco, which employs many inspectors and receives
numerous public requests for interpretations.
4. Many San Francisco single family dwellings have a second
kitchen which may under certain conditions be legalized.
5. Changes of occupancy involve additional hazards not covered
by the State Electrical Code, including seismic, since San
Francisco is an area of high seismic risk.

6. Needed due to small lot size and high density of buildings and population. Most buildings in San Francisco are built up to the property lines.
7. Crowded buildings due to small lots. Additional fire protection needed.
8. Needed in San Francisco due to small lot size and need for additional dwelling units. Safety not compromised.
9. Clarification needed due to steep hillside lots in San Francisco. Not adequately covered in State Electrical Code.
10. Additional safety due to crowded conditions in San Francisco.
11. Additional safety due to San Francisco hillside conditions.
12. Additional protection against conflagration due to small lots, crowded condition, large number of wood frame buildings.
13. Needed for sanitation. Facility necessary because of small lots, crowded conditions.
14. Crowded sidewalks. Inconvenience to public if buildings drain over sidewalk.
15. Small dwelling units in San Francisco. Additional safety needed.
16. Additional safety due to large numbers of persons in building as a result of small dwelling units.
17. More restrictive requirements for light and ventilation due to small lots, buildings extending to property line, etc.
18. Insufficient width of street for Fire Department use.
19. Many security gates in urban area. Necessary to have simple mechanical release to allow exit if electricity off.
20. Fire escapes necessary on small apartment buildings due to small lots, dense population, and parking requirements.
21. Protection of views.
22. Needed when buildings occupy the entire width of property and one-for-one parking requirements in San Francisco.

23. Hazards due to small dwelling units and crowded living.
24. To accomodate operations of the San Francisco Fire Department, which uses different size equipment than specified in the State Building Code.
25. Additional security measures necessary as a result of high crime rate and type of building construction.
26. Additional smoke control requirements due to crowded buildings, close together, and the need of safer exiting conditions. Proven necessary in recent hotel fire.
27. Additional protection due to proximity of openings to property line as a result of small lots and large buildings crowded together.
28. Required due to one-for-one parking, small lots in San Francisco. Additional safety added.
29. Added protection by smoke detectors in halls and heat detectors in inner courts compensate for alarms in certain buildings.
30. Zone of high seismic risk. Additional safety features required.
31. Additional restrictions to protect against moisture due to San Francisco climatic conditions (fog).

STATE PLUMBING CODE PURSUANT TO SECTION 17958.5 OF THE CALIFORNIA
HEALTH AND SAFETY CODE

As required in Section 17958.5 of the California Health and
Safety Code, when there are differences between the locally
adopted Plumbing Code and the State Plumbing Code (Title 24
California Code of Regulations), the governing body must consider
the reasons for these differences based upon local conditions. A
copy of the findings must be filed with the State Building
Standards Commission.

In accordance with these requirements, the attached listing was
prepared.

The reasons given are indicated by numbers and the reasons to
which the numbers refer follow the tabular listing. The
differences noted are only those of substantive content and do
not contain administrative or procedural amendments or items in
the State Plumbing Code not enforced by the State Building
Standards Commission as indicated by the Adoption Tables.

REASONS FOR MODIFICATION OF STATE PLUMBING CODE IN ACCORDANCE
WITH CALIFORNIA HEALTH AND SAFETY CODE SECTION 17958.5

1. San Francisco hotels often contain guest rooms with cooking facilities due to the large number of persons of low and moderate income living in residential hotels.
2. San Francisco style of architecture.
3. Indefinite provisions subject to varying interpretations; therefore need to codify determinations to ensure uniform code enforcement in a large jurisdiction like San Francisco, which employs many inspectors and receives numerous public requests for interpretations.
4. Many San Francisco single family dwellings have a second kitchen which may under certain conditions be legalized.
5. Changes of occupancy involve additional hazards not covered by the State Plumbing Code, including seismic, since San Francisco is an area of high seismic risk.
6. Needed due to small lot size and high density of buildings and population. Most buildings in San Francisco are built up to the property lines.

7. Crowded buildings due to small lots. Additional fire protection needed.
8. Needed in San Francisco due to small lot size and need for additional dwelling units. Safety not compromised.
9. Clarification needed due to steep hillside lots in San Francisco. Not adequately covered in State Building Code.
10. Additional safety due to crowded conditions in San Francisco.
11. Additional safety due to San Francisco hillside conditions.
12. Additional protection against conflagration due to small lots, crowded condition, large number of wood frame buildings.
13. Needed for sanitation. Facility necessary because of small lots, crowded conditions.
14. Crowded sidewalks. Inconvenience to public if buildings drain over sidewalk.
15. Small dwelling units in San Francisco. Additional safety needed.
16. Additional safety due to large numbers of persons in building as a result of small dwelling units.
17. More restrictive requirements for light and ventilation due to small lots, buildings extending to property line, etc.
18. Insufficient width of street for Fire Department use.
19. Many security gates in urban area. Necessary to have simple mechanical release to allow exit if electricity off.
20. Fire escapes necessary on small apartment buildings due to small lots, dense population, and parking requirements.
21. Protection of views.
22. Needed when buildings occupy the entire width of property and one-for-one parking requirements in San Francisco.
23. Hazards due to small dwelling units and crowded living.
24. To accomodate operations of the San Francisco Fire Department, which uses different size equipment than specified in the State Building Code.
25. Additional security measures necessary as a result of high crime rate and type of building construction.
26. Additional smoke control requirements due to crowded buildings, close together, and the need of safer exiting conditions. Proven necessary in recent hotel fire.
27. Additional protection due to proximity of openings to property line as a result of small lots and large buildings crowded together.
28. Required due to one-for-one parking, small lots in San Francisco. Additional safety added.
29. Added protection by smoke detectors in halls and heat detectors in inner courts compensate for alarms in certain buildings.
30. Zone of high seismic risk. Additional safety features required.
31. Additional restrictions to protect against moisture due to San Francisco climatic conditions (fog).
32. Uric acide has been found to deteriorate copper tubing.
33. Corrects table number.
34. San Francisco conducts all storm water in building drain.
35. No rural areas within City and County of San Francisco.
36. Early date required in Administrative Section 20.3 because of unusual types of building conditions in San Francisco.
37. Soil conditions deteriorate these materials.
38. Prevent air lock due to movement of piping in ground.
39. No jurisdiction - Department of Public Health or State or Federal.
40. Covered in San Francisco Chapters 3 and 4.

[Grant - State Funds]

AUTHORIZING THE CITY LIBRARIAN TO APPLY FOR, ACCEPT AND EXPEND LIBRARY SERVICES AND CONSTRUCTION ACT FUNDS IN AN AMOUNT NOT TO EXCEED \$30,000 TO SUPPORT CATALOGING 2,250 POPULAR MUSIC TITLES IN MACHINE-READABLE FORM.

WHEREAS, The San Francisco Public Library has an outstanding collection of early 20th Century popular sheet music, one of few such collections in California, and

WHEREAS, These materials are frequently sought, but difficult to locate, and

WHEREAS, A sample search on the Research Libraries Information Network retrieved only 18% of the titles, and

WHEREAS, The library desires to make such access available on both major bibliographic utilities used at the San Francisco Public Library for access to library patrons in San Francisco and throughout the State for reference and interlibrary loan; now, therefore, be it

RESOLVED, That the City Librarian is hereby authorized to apply for, accept and expend Library Services and Construction Act funds in an amount not to exceed \$30,000 to support the cataloging of 2,250 titles of popular music into machine readable form, and be it

FURTHER RESOLVED, That this approval shall not commit the City and County of San Francisco to continuance beyond the period covered by said grant funds, and be it

FURTHER RESOLVED, That ^{SANFUEL D. YOCKE} direct costs of 5% contained in the budget of this grant.

[Request for State Proposition 52 Funds]

ACCEPTING THE MASTER SITING PLAN DOCUMENTS SUBMITTED TO THE BOARD OF SUPERVISORS BY THE JAIL POLICY AND PLANNING ADVISORY COMMITTEE (JPPAC) AS THE LONG TERM TWENTY YEAR MASTER SITING PLAN FOR SAN FRANCISCO'S ADULT DETENTION SYSTEM, AND AUTHORIZING THEIR SUBMITTAL TO THE STATE BOARD OF CORRECTIONS FOR APPROVAL.

WHEREAS, The City and County's Jail System is found to be in need of extensive repair and operational improvements; and

WHEREAS, It is the desire of the City and County to house and process its arrestees in a safe, secure, and efficient jail system that is consistent with community standards; and

WHEREAS, It is the policy of the City and County to incarcerate its citizens only to a degree consistent with public safety and the need to ensure arrestee's appearance in court; and

WHEREAS, The City and County is eligible to receive state bond monies under Proposition 52 for jail construction and renovation; and

WHEREAS, Pursuant to the regulations of State Proposition 52 this Board of Supervisors did appoint the Jail Policy and Planning Advisory Committee to conduct a Major Needs Assessment and prepare a Master Plan regarding its Adult Detention System; and

WHEREAS, Said Needs Assessment and Master Plan have been received and reviewed by this Board of Supervisors in open session with comments from the community and Sheriff Michael Hennessey; and

WHEREAS, The Needs Assessment has been sent to the Board of Corrections and approved by that body; and

WHEREAS, Pursuant to Proposition 52 regulations the Board of Supervisors is required to submit to the Board of Corrections, a Master Plan covering a period of the next twenty (20) years, as well

as a statement of which projects are to be funded under this proposition; now, therefore, be it

RESOLVED, That this Board of Supervisors does accept the aforementioned Needs Assessment and Master Plan as the Master Plan for the capital improvement of the Adult Detention System of the City and County of San Francisco for a period which covers the next twenty years; and, be it

FURTHER RESOLVED, That this Board of Supervisors does authorize the Chief Administrative Office, the Director of Public Works, and the Sheriff to proceed with all steps necessary to obtain Proposition 52 funding for projects consistent with the aforementioned Needs Assessment, as follows:

1. An expanded Work Furlough facility capable of housing all current and proposed programs for sentenced prisoners on a furlough status, at a site to be determined after public hearings and notification to the residents and merchants in the immediate surrounding area of the proposed site; and
2. Projects directed at upgrading fire, health, and life safety systems at the Hall of Justice Jails in conjunction with the Federal Court Consent Decree; and
3. The long term medical/psychiatric service plan for the prisoners at Hall of Justice Jails which satisfies the conditions of the Consent Decree; and
4. A services building(s) for the County Jail #3 complex which would contain such services as: a new heating plant, electrical service, laundry, kitchen, and associated operational space; and
5. Life and safety capital improvement projects at the County Jail #3 complex at San Bruno; and, be it

1 FURTHER RESOLVED, That this Board of Supervisors does
2 authorize the submittal of this Master Plan to the Board of
3 Corrections for approval.
